Henry Vanderpyl,2021-02-12 There is very little information about the Jesus Elevator on the internet Somehow even Wikipedia missed it In this book you are going to learn about Hartley Somerville a prairie born again farmer who purchased a 75 foot tall grain elevator in Ellerslie Alberta moved it onto his farmstead and in 1965 repurposed it into the biggest scripture sign Canada has ever seen Fourteen years later with the help of a few volunteers Henry Vanderpyl undertook the task of renovating the elevator with a new verse For twenty four years its endless message steered travelers far and wide alongside the Queen Elizabeth II highway at the south entrance to Edmonton the Gateway to the North Sometimes God calls people to do big things For Henry big things done with calligraphy became his calling unto God **The Pharos Lighthouse In**

Alexandria Andrew Michael Chugg,2024-03-07 This comprehensive and insightful book brings scientific rigor to the problems of reconstructing the Pharos Lighthouse one of the Seven Wonders of the Ancient World and understanding how it functioned as the archetypal lighthouse in antiquity when it was described as a second Sun Conceived by Alexander the Great and designed by Sostratus the Pharos lighthouse stood as an iconic landmark of Alexandria for sixteen centuries until felled by a calamitous earthquake in the fourteenth century The study of this great lighthouse has been neglected relative to other ancient Wonders such as the Great Pyramid of Giza This book reconstructs the tower its lustrous light stunning statues and astounding story in diligent detail through archaeological evidence and surviving antique texts and images providing a fresh evaluation of the Pharos its history and its legacy The Roman writer Achilles Tatius termed the Pharos a second Sun this expression is explained and explored here for the first time and has dramatic implications for the nature of the Pharos light The volume also explores how the creation of the Pharos was a key stimulus for Alexandrian science and astronomy in antiquity The Pharos Lighthouse in Alexandria provides a fascinating new study of this monument of interest to students and scholars of Hellenistic art architecture and science and readers seeking to learn more about one of the Seven Wonders of the Ancient World The Lighthouse Effect Steve Pemberton,2021-09-28 In this stirring follow up to his memoir Steve

Pemberton gives practical encouragement for how you can be a human lighthouse for others and through these inspiring stories will renew your hope for humanity Our polarized divisive culture seems to be without heroes and role models We are adrift in a dark sea of disillusionment and distrust and we need human lighthouses to give us hope and direct us back to the goodness in each other and in our own hearts Steve Pemberton found a lighthouse in an ordinary man named John Sykes his former high school counselor John gave Steve a safe harbor after Steve escaped an abusive foster home and together they navigated a new path that led to personal and professional success Through stories of people like John and several others you will identify how the hardships you have overcome equip you to be a human lighthouse inspiring those around you The humble gestures of kindness that change the course of our lives can shift the course for America too With a unique vision for building up individuals and communities and restoring trust The Lighthouse Effect opens your eyes to those who are quietly heroic You will reflect on the lighthouses in your own life and be reminded that the greatest heroes are alongside us and
