Madonna Blonde Ambition:

Madonna ,1992 Madonna Mark Bego,2000-07-18 Based in part on interviews with Madonna this biography focuses closely on her musical accomplishments her pioneering work in rock videos her adept manipulations of religious and sexual controversy and her ability to constantly reinvent her image Effectively recounting her career while giving equal time to her relationships Madonna has be been updated with a new chapter that explores her personal and professional exploits in the nineties and beyond including her latest romantic liaisons new family and multifaceted career The result is a revealing intimate and unauthorized portrait of the greatest pop diva of our time **Madonna** Daryl Easlea,2012-04-01 In a career spanning three decades Madonna has produced a record breaking run of hit singles and albums starred in films and staged some of the highest grossing concert tours of all time But she is more than just a pop singer and actress She is an icon of our times and one who has continued to reinvent both herself and the very nature of celebrity ever since she first appeared with the song Holiday in 1983 Madonna Blond Ambition is an authoritative chronicle of one of popular music s greatest stars including detailed commentary on every album tour movie music video and more It profiles key collaborators and investigates the many controversies Madonna has been embroiled in over the years from her frequent run ins with the Catholic Church to the taboo busting sexualization of her music and image in the 90s The book also includes a timeline of the key events of her career and a selection of photographs From Vogue to Ray of Light the Blonde Ambition tour to 2008 s Sticky Sweet shows the Sex book to The English Roses it s all here **Madonna** J. Randy Taraborrelli,2001-09-27 Madonna Megastar Lover Mother Opportunist Chameleon Role model She s all of these things and more Yet who is she really In Madonna An Intimate Biography author J Randy Taraborrelli s scrupulously researched and completely balanced unauthorized biography of one of the world s most celebrated entertainers the reader is allowed to draw his or her own conclusions Indeed the portrait bestselling author Taraborrelli paints here is of a truly complex woman one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart It is significant that Madonna An Intimate Biography is the first such book written about the star in over a decade because in the past ten years the ever changing Madonna has gone through her biggest transformation yet from tempestuous sex goddess to happily married mother Amazingly as she launches her first worldwide tour in eight years she is now at forty something enjoying one of the most successful periods of her groundbreaking career Whereas other books about Madonna have been based on previously published material Madonna An Intimate Biography is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time including close friends business associates and even family members Since Taraborrelli interviewed the star herself early in her career he is now able to draw from such firsthand experiences to place her success story in perspective and provide new stunning insights The true Madonna as presented here is not merely a sensation seeking tabloid vixen but a flesh and blood woman with human foibles and weaknesses as well as

great strengths and ambitions For the first time the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement how Warren Beatty broke her heart and why the two never wed how she and John Kennedy Jr became romantically involved his mother s reaction to the prospect of Madonna as a daughter in law and why it could never have worked out the truth of her relationships with the fathers of her two children and how as a loving and attentive mother she has evolved into a surprisingly different woman and what the future holds for her Madonna An Intimate Biography is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular trendsetting figures of our time Full of amazing disclosures about her private life and public career New York Times bestselling author J Randy Taraborrelli s latest work reveals Madonna in a new and surprisingly inspiring way Not only a feast for fans this book is great entertainment for anyone who enjoys a remarkable story stirringly told **Madonna** Mary Gabriel,2023-10-10 New York Times Editors Choice One of NPR s Best Books of the Year In this infinitely readable biography award winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era Madonna People Magazine With her arrival on the music scene in the early 1980s Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles taking the nation by storm with her liberated politics and breathtaking talent Within two years of her 1983 debut album a flagship Macy s store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge and opened a department called Madonna land But Madonna was more than just a pop star Everywhere fans gravitated to her as an emblem of a new age one in which feminism could shed the buttoned down demeanor of the 1970s and feel relevant to a new generation Amid the scourge of AIDS she brought queer identities into the mainstream fiercely defending a person s right to love whomever and be whoever they wanted Despite fierce criticism she never separated her music from her political activism And as an artist she never stopped experimenting Madonna existed to push past boundaries by creating provocative visionary music videos films and live performances that changed culture globally Deftly tracing Madonna s story from her Michigan roots to her rise to super stardom master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time *Madonna as Postmodern Myth* Georges-Claude Guilbert,2015-10-02 Madonna has long been accepted as a pop culture icon but this text postulates a greater cultural importance by analyzing her as a postmodern myth This work examines how Madonna methodically discovered and constructed herself often rewriting her past the nature and extent of her ambition and the means she used to reach her goals It also details the way in which she organized her own cult borrowing from the gay community devised her artistic output and cunningly targeted different audiences It also studies the fundamental contradiction virgin or vamp saint or prostitute that fuels Madonna s career and describes how Madonna reflects today s society its contradictions and its attitudes toward sexuality and religion MADONNA: Unstoppable!
