Moral Life:

The Moral Life Tony L. Moyers, 2011 The Moral Life Obligation and Affirmation examines the broad scope of moral thought and behavior over the centuries Moyers considers the notion of morals from various perspectives asking if everything is a matter of interpretation and morality is not written in stone then how should we live **The Moral Life** Professor Steven (Trinity University Luper, Texas), Steven Luper, 2005-01-05 The second edition of THE MORAL LIFE covers a wide variety of applied ethical issues from issues that confront the individual to international intergenerational and interspecies issues The diverse readings cover a range of differing viewpoints chosen to stimulate class discussions **The Moral Life** W. R. Sorley, 2012-03-22 This 1920 reissue of a 1911 volume by W R Sorley presents an account of the nature of goodness in humanity A Moral Life In Christ Textbook Sophia Institute for Teachers, *Virtue and the Moral Life* William Werpehowski, Kathryn Getek Soltis, 2014-07-22 The scope of interest and reflection on virtue and the virtues is as wide and deep as the questions we can ask about what makes a moral agent's life decent or noble or holy rather than cruel or base or sinful or about the conditions of human character and circumstance that make for good relations between family members friends workers fellow citizens and strangers and the sorts of conditions that do not Clearly these questions will inevitably be directed to more finely grained features of everyday life in particular contexts Virtue and the Moral Life Theological and Philosophical Perspectives takes up these questions In its ten timely and original chapters it considers the specific importance of virtue ethics its public significance for shaping a society's common good the value of civic integrity warfare and returning soldiers sense of enlarged moral responsibility the care for and agency of children in contemporary secular consumer society and other questions involving moral failure humility and forgiveness The Moral Life and Moral Worth (Classic Reprint) William Ritchie Sorley, 2017-11-23 Excerpt from The Moral Life and Moral Worth The purpose of the following pages is to give a popular account of the nature of goodness in human life They are not specially addressed to the philosophical student but to the wider public interested in the subject for moral philosophy is the quest of a few but morality is every man's affair Nor is the book an essay in casuistry Cases Of conduct are infinite in number and hardly two of them are the same general rules fit them awkwardly But morality is a spirit manifested in life not a body of rules and this point of View is marked by the title The Moral Life W R S About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Freedom and Purpose Robert Gascoigne, 2004 Freedom and Purpose is a contemporary introduction to Christian ethics in the Roman Catholic tradition

Christian ethics is presented as a distinctive contribution to a universally human task grounded in the love of God revealed in Christ and deriving its distinct contours and motivation from the shape of Christian revelation from back cover Happy Lives, Good Lives Jennifer Wilson Mulnix, M.J. Mulnix, 2015-05-25 Happy Lives Good Lives offers a thorough introduction to a variety of perspectives on happiness Among the questions at issue Is happiness only a state of mind or is it something more Is it the same for everyone Is it under our control and if so to what extent Can we be mistaken about whether we are happy What role if any does happiness play in living a good life Is it sometimes morally wrong to pursue happiness Should governments promote happiness through public policy Asking and answering these questions is worthwhile not only as an intellectual exercise but also as a means of gaining practical insight into how best to pursue a happy life Hegel's Moral Corporation Thomas Klikauer, 2016-01-26 Hegel's Moral Corporation is about two versions of a corporation one business oriented and dedicated to shareholder value and profit maximisation and one dedicated to moral life Sittlichkeit in Hegelian terms Moral Voices, Moral Selves Susan J. Hekman, 1995 In her landmark 1982 study In a Different Voice Carol Gilligan argues that there is not only one true moral voice but two one masculine one feminine Moral values and concerns associated with a feminine outlook are relational rather than autonomous they depend upon interaction with others Susan J Hekman argues that the approach to morality suggested by Gilligan's work marks a radically new departure in moral thinking In a far reaching examination and critique of Gilligan's theory Hekman seeks to deconstruct the major traditions of moral theory that have been dominant since the Enlightenment She challenges the centerpiece of that tradition the disembodied autonomous subject of modernist philosophy Hekman argues that the logic of Gilligan's approach entails multiple moral voices not just one or even two and that factors other than gender class race and culture are constitutive of moral voice Using the work of Wittgenstein and Foucault she outlines the parameters of a discursive morality and its implications for feminism and moral theory
