Peter Raby

More Letters Of Oscar Wilde:

The Complete Letters of Oscar Wilde Oscar Wilde, 2000 This edition marks the centenary of Oscar Wilde's death and is the most complete ever to appear. It contains over 1500 of his letters and anyone unfamiliar with Wilde as a correspondent will find it packed with unexpected delights. This magnificent collection is a major publishing event. **More Letters of Oscar Wilde** Rupert Hart-Davis, 1985 More Letters of Oscar Wilde Rupert Hart-Davis, 1985 **Selected Letters of Oscar Wilde** Oscar Wilde, Rupert Hart-Davis, 1979 When Sir Rupert Hart Davis's magnificent edition of *The Letters of Oscar Wilde* was first published in 1962 Cyril Connolly called it a must for everyone who is seriously interested in the history of English literature or European morals. From this edition long out of print Hart Davis has culled a representative sample of the letters from each period of Wilde's life giving preference as he says in his Introduction to those of literary interest to the most amusing and to those that throw light on his life and work. The long letter to Lord Alfred Douglas known as *De Profundis* is printed in its entirety. **Oscar Wilde** Richard Ellmann, 1988-11-05 Winner of both the National Book Critics Circle Award and the Pulitzer Prize *Oscar Wilde* is the definitive biography of the tortured poet and playwright and the last book by renowned biographer and literary critic Richard Ellmann. Ellmann dedicated two decades to the research and writing of this biography resulting in a complex and richly detailed portrait of Oscar Wilde. Ellman captures the wit, creativity and charm of the psychologically and sexually complicated writer as well as the darker aspects of his personality and life. Covering everything from Wilde's rise as a young literary talent to his eventual imprisonment and death in exile with exquisite detail Ellmann's fascinating account of Wilde's life and work is a resounding triumph. **An Oscar Wilde Chronology** Norman Page, 1991-09-12 Providing details of Wilde's life and work in an easily accessible profile this biography makes use of surviving letters, notebooks, diaries and documents as well as other researched biographies. Other authors in the series include Pope, Byron, Dickens, Kipling and Tennyson. **The Fall of the House of Wilde** Emer O'Sullivan, 2016-10-04 The first biography of Oscar Wilde that places him within the context of his family and social and historical milieu, a compelling volume that finally tells the whole story. It's widely known that Oscar Wilde was precociously intellectual, flamboyant and hedonistic, but lesser so that he owed these characteristics to his parents. Oscar's mother Lady Jane Wilde rose to prominence as a political journalist advocating a rebellion against colonialism in 1848. Proud, involved and challenging, she opened a salon and was known as the most scintillating hostess of her day. She passed on her infectious delight in the art of living to Oscar, who drank it in greedily. His father Sir William Wilde was acutely conscious of injustices of the social order. He laid the foundations for the Celtic cultural renaissance in the belief that culture would establish a common ground between the privileged and the poor, Protestant and Catholic. But Sir William was also a philanderer and when he stood accused of sexually assaulting a young female patient, the scandal and trial sent shockwaves through Dublin society. After his death the Wildes decamped to London where Oscar burst irrepressibly upon the scene. The one role that didn't suit him was that of Victorian.

husband as his wife Constance was to discover For beneath his swelling head was a self destructive itch a lifelong devourer of attention Oscar was unable to recognize when the party was over Ultimately his trial for indecency heralded the death of decadence and his own In a major repositioning of our first modern celebrity The Fall of the House of Wilde identifies Oscar Wilde as a member of one of the most dazzling Irish American families of Victorian times and places him in the broader social political and religious context It is a fresh and perceptive account of one of the most prominent characters of the late nineteenth century *The importance of being a reader: A revision of Oscar Wilde's works* Cristina Pascual

Aransáez,2014-09-01 This book explores Wilde s works from the hypothesis that they call upon the active participation of the reader in the production of meaning It has a twofold objective first it shows that Wilde s emphasis on the creative role of the audience in his critical writings makes him conceive the reader as a co creator in the construction of meaning Second it analyses the strategies which Wilde employs to impel the reader to collaborate in the creation of meaning of his literary works and casts light upon the social criticism derived from these The examination of Wilde s writings reveals how he gradually combined more sophisticated techniques that encouraged the reader s dynamic role with the progressive exploitation of self advertising strategies for professional purposes These allowed the commercial Oscar to make his works successful among the Victorian public without betraying the literary Wilde s aesthetic principles The present study re evaluates Wilde as a critic and as a writer It demonstrates that while Wilde the myth was ahead of his time in many ways Wilde the ARTIST anticipated in his aesthetic theory various themes which occupy contemporary literary theoreticians Thus it may contribute to give him the status he rightly deserves in the history of literature **Oscar Wilde** Oscar Wilde,2003 Wilde the writer is known to us from his plays and fiction yet it was in his conversation that his genius reached its summit His talk is lost his autobiography was never written but his letters reveal him at his best Here they are collected together with a commentary and photographs *Oscar Wilde in the 1990s* Melissa Knox,2001 An examination of the most significant literary criticism on Wilde at the turn of the century In 1891 Oscar Wilde defined the highest criticism as the record of one s own soul and insisted that only by intensifying his own personality could the critic interpret the personality and work of others This book explores what Wilde meant by that statement arguing that it provides the best standard for judging literary criticism about Wilde a century after his death Melissa Knox examines a range of Wilde criticism in English including the work of Lawrence Danson Michael Patrick Gillespie Ed Cohen and Julia Prewitt Brown Applying Wilde s standards to his critics Knox discovers that the best of them take to heart Wilde s idea of the aim of criticism to see the object as in itself it really is not By this Wilde appreciates Walter Pater s profound observation that everyone sees through a thick wall of personality and that therefore objectivity as conceived by Matthew Arnold does not exist Admiring Pater Wilde became a prophet for Freud his exact contemporary Their intellectual sympathies made obvious in Knox s exegesis help to make the case for Wilde as a modern not a Victorian Melissa Knox s book *Oscar Wilde A Long and Lovely Suicide* was published in

1994 She teaches at the University of Duisburg Essen Germany *Yeats Annual No 5* Warwick Gould,2016-07-27

Letters to the Sphinx Oscar Wilde,Ada Leverson,2015-09-25 Letters to the Sphinx contains five main sections the first is a typically characterful cantankerous and yet appreciative essay of explanation by Oscar Wilde s literary executor and close friend Robert Ross Then follow three major essays of reminiscence by the Sphinx herself the book s compiler Ada Leverson also a dear friend of Wilde The Importance of Being Oscar gives an iconically witty introduction to how Wilde operated and who he was The Last First Night gives an elegiac impression of the atmosphere Wilde generated at the zenith of his career and finally Afterwards is a sombrelly quiet reflection on Wilde s trials and imprisonment his troubles as he called them Finally it becomes Wilde s turn to speak In thirty letters letter excerpts and telegrams his nature is impressed upon us From his highest manner which surprisingly lacked stiffness and in his lowest spirits which were plainly humble his facility with and mastery of words and epigram are clearly evident providing a compelling portrait of a personality which was as Ross claims unique in English literature This slender volume was originally published as a limited edition in 1930 and has remained unavailable except in the rare book market ever since *Oscar Wilde* Edouard Roditi,1986 Edouard Roditi s critical study of Oscar Wilde originally published in 1947 in New Directions Makers of Modern Literature Series was a pioneering attempt to evaluate a literary reputation long distorted by the journalistic appetite for scandal Relegating biography to a back seat Roditi addressed the important of Wilde s ingenious imaginative and dialectical thought in his own time and showed how his poetry novels plays and critical writings were a key influence in the shift of English and American literature away from established and aging Romanticism toward Modernism For this first paperbound edition of his perceptive and erudite study of Wilde Roditi has added three additional chapters touching on new material about Wilde as well as the new public attitudes about homosexuality that have evolved since the book was first published An American long resident in Paris Edouard Roditi is an internationally known linguist scholar art critic and author and translator of a considerable number of works of fiction and poetry criticism and biography A collection of his witty and exotic short stories The Delights of Turkey is available under the New Directions imprint **A Companion to Modern British and Irish Drama, 1880 - 2005** Mary Luckhurst,2008-04-15 This wide ranging Companion to Modern British and Irish Drama offers challenging analyses of a range of plays in their political contexts It explores the cultural social economic and institutional agendas that readers need to engage with in order to appreciate modern theatre in all its complexity An authoritative guide to modern British and Irish drama Engages with theoretical discourses challenging a canon that has privileged London as well as white English males and realism Topics covered include national regional and fringe theatres post colonial stages and multiculturalism feminist and queer theatres sex and consumerism technology and globalisation representations of war terrorism and trauma **The Uncollected Letters of Algernon Charles Swinburne** Terry L Meyers,2024-07-31 These three volumes of letters by Algernon Charles Swinburne add approximately 600 letters by this poet that were not available when Cecil Y Lang published

his six volume edition of Swinburne's letters. The volumes also contain a selection of several hundred other letters addressed to Swinburne. **The Uncollected Letters of Algernon Charles Swinburne Vol 2** Terry L Meyers, 2024-10-28. These three volumes of letters by Algernon Charles Swinburne add approximately 600 letters by this poet that were not available when Cecil Y Lang published his six volume edition of Swinburne's letters. The volumes also contain a selection of several hundred other letters addressed to Swinburne. **The Complete Works of Oscar Wilde: Poems and poems in prose** Oscar Wilde, 2000. This volume of Poems and Poems in Prose inaugurates the Oxford English Texts Complete Works of Oscar Wilde. It provides texts of Wilde's one hundred and nineteen poems and poems in prose including twenty one never published in his lifetime together with the publishing history of each poem and a detailed commentary on allusions and echoes, imagery and points of biographical interest. **Oscar Wilde on Trial** Joseph Bristow, 2022-10-11. The most authoritative account of a pivotal event in legal and cultural history: the trials of Oscar Wilde on charges of gross indecency. Among the most infamous prosecutions of a literary figure in history, the two trials of Oscar Wilde for committing acts of gross indecency occurred at the height of his fame. After being found guilty, Wilde spent two years in prison, emerged bankrupt, and died in a cheap hotel room in Paris a few years after his release. The trials prompted a new intolerance toward homosexuality; habits of male bonding that were previously seen as innocent were now viewed as a threat, and an association grew in the public mind between gay men and the arts. **Oscar Wilde on Trial** assembles accounts from a variety of sources including official and private letters, newspaper accounts, and previously published but very incomplete transcripts to provide the most accurate and authoritative account to date of events that were pivotal in both legal and cultural history. [Encyclopedia of Literary Modernism](#) Paul Poplawski, 2003-12-30. Modernism is still widely acknowledged as perhaps the most important and influential artistic and cultural phenomenon of the 20th century. Written by expert scholars from around the world and covering hundreds of different topics in a clear, incisive, and critical manner, this reference maps the complex field of modernism in a fresh and original way. The principal focus of the book is on English language literary modernism and the period 1890-1939, yet many entries extend beyond those parameters to include important precursors and successors of the movement. The book also covers the crucial European and interdisciplinary dimensions of modernism and provides complementary comparative perspectives from countries and regions not usually included in traditional accounts of the subject. Entries cite works for further reading, and the volume closes with a selected general bibliography. **The Cambridge Companion to Oscar Wilde** Peter Raby, 1997-10-16. The Cambridge Companion to Oscar Wilde offers an essential introduction to one of the theatre's most important and enigmatic writers. Although a general overview, the volume also offers some of the latest thinking on the dramatist and his impact on the twentieth century. Part One places Wilde's work within the cultural and historical context of his time and includes an opening essay by Wilde's grandson, Merlin Holland. Further chapters also examine Wilde and the Victorians and his image as a Dandy. Part Two looks at Wilde's essential work as playwright and

general writer including his poetry critiques and fiction and provides detailed analysis of such key works as *Salome* and *The Importance of Being Earnest* among others The third group of essays examines the themes and factors which shaped Wilde's work and includes Wilde and his view of the Victorian woman Wilde's sexual identities and interpreting Wilde on stage This 1997 volume also contains a detailed chronology of Wilde's work a guide to further reading and illustrations from important productions
