My Capitol Secrets:

My Capitol Secrets Rita Jenrette, 1981 Capitol Secrets Maureen Dean, 1992 As Congress woman Laura Christen makes a move to become the most powerful person on Capital Hill she sets off controversy and murder **Lethal Secrets** Pete Earley, 2025-09-23 It was thought that during the height of tensions between the Soviet Union and the United States the KGB may have cleverly smuggled a nuclear bomb into the very heart of Washington D C In Pete Earley s new thriller *Lethal Secrets* this bomb is in the hands of a band of Chechen rebels lead by an insane terrorist Movladi the Viper Islamov who s threatening to detonate it unless his demands are met The fate of the city rests in the hands of a disgraced deputy U S Marshal Wyatt Conway who is reluctantly called into action by his FBI and CIA rivals because he was once a friend of Islamov s before the freedom fighter turned into an international terrorist But to stop Islamov Conway must trust Vladimir Khrenkov a possibly corrupt Russian intelligence agent and Kimberly Lodge a skeptical CIA beauty Conway suspects Khrenkov of being the man who executed a top Russian mobster that Conway was protecting in federal witness protection program And the CIA s Lodge isn t all that certain Conway is capable of outwitting the terrorists and protecting the capital of the free world With time running out Conway must find a way to manipulate and expose Khrenkov keep Lodge and her bureaucratic cronies off his back and prevent Islamov from igniting the spark for Armageddon At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Scoundrels** J. Michael Martinez, 2023-06-15 American history buffs will savor this detailed yet accessible roundup of political imbroglis Publishers Weekly Political scandals have become an indelible feature of the American political system since the creation of the republic more than two centuries ago In his previous book *Libertines* American Political Sex Scandals from Alexander Hamilton to Donald Trump Michael Martinez explored why public figures sometimes take extraordinary risks sully their good names humiliating their families placing themselves in legal jeopardy and potentially destroying their political careers as they seek to gratify their sexual desires In *Scoundrels* Martinez examines thirteen of the most famous or infamous and not so famous political scandals of other sorts in American history including the Teapot Dome case from the 1920s the Watergate break in and cover up in the 1970s the Iran Contra affair of the 1980s and Russian interference in the 2016 elections Combining riveting storytelling with insights into 200 years of American political corruption Martinez has once again written a book that will enlighten all readers interested in human nature and political history *Finding Chandra* Scott Higham, Sari Horwitz, 2010-05-11 Uncover the chilling truth behind the Chandra Levy case in *Finding Chandra* a gripping investigation into political scandal police missteps and the relentless pursuit of justice It was the mystery that gripped the nation during the summer of 2001 the sudden disappearance of Chandra Levy a young promising intern and the possible involvement of Congressman Gary Condit And then the case went cold By 2007 satellite trucks and reporters had long since abandoned the story of the congressman and the intern in search of other news fresh scandals Across the country Chandra s parents tried to resume their daily lives desperately hoping that

someday there might be a break in the investigation And in Washington the old game of who s up and who s down played on without interruption But Chandra Levy haunted Six years after the young intern s disappearance investigative editors of the Washington Post pitched two Pulitzer Prize winning reporters their idea Revisit the unsolved case and find out what happened to Chandra a task that had eluded police and the FBI Scott Higham and Sari Horwitz went to work e result was a thirteen part series in the Washington Post that focused on a prime suspect the police and the FBI had passed over years before They had wrongly pursued Condit and chased numerous false leads including a claim that Chandra had been kidnapped and taken to the Middle East But the most likely culprit was far less glamorous an immigrant from El Salvador a young man in the clutches of alcohol drugs and violence who had been stalking the running paths of Rock Creek Park assaulting female joggers at knifepoint He had attacked again even as the police and the press concentrated on a congressman romantically linked to the intern Finding Chandra explores the bungled police efforts to locate the crime scene and catch a killer the ambition and hubris of Washington s power elite and press corps the twisted culture of politics the dark nature of political scandal and the agony of parents struggling to comprehend the loss of a child Above all it is a quintessential portrait of a cast of outsiders who came to Washington with dreams of something better only to be forever changed

crime rates in the country These funny edgy examinations of crazy political antics are sure to be as controversial as they are entertaining Democrats will hate them Republicans will love them And everyone will want to read more **The Big Secret** Pete Earley,2025-09-23 Federal Chief Investigator Nick LeRue is an expert on unraveling a crime he s brought down some of the smoothest operators on Capitol Hill and uncovered dangerous secrets in politicians pasts In his personal life however his commitment to his job has left him unlucky in love When his ex girlfriend investigative journalist Heather Cole appears after a long period of silence things start looking up But Nick is about to learn that nothing is ever what it seems Surprisingly the woman who approaches Nick isn t his ex at all but her twin sister Melanie Cole The two sisters share an unusually strong bond one that allows them to sense when the other is in danger and even visit one another in their dreams Melanie has been seeing images of her sister being held captive by an unseen man somehow she knows that time is running out for Heather Though skeptical of the sisters connection Nick follows Heather s trail to Pushmataha Mississippi It appears that she was close to uncovering the town s darkest and bloodiest secret the beating and lynching of a young black man in the 1955 when she mysteriously vanished A photograph of the event reveals that all but two of the mob have already died One of the survivors is Jeb Rogge the town s most powerful and dangerous man But why would Jeb get involved in a crime that would obviously point to him The town s residents seem to know something they re not telling Nick and Melanie s dreams are becoming more and more intense As more and more of the pieces fly together it becomes all too clear that whoever has covered up the racial murder is willing to keep it hidden at any cost even if it means killing again Combining an intense paranormal thriller with edge of your seat mystery fiction Pete Earley s *The Big Secret* will keep you guessing until the unbelievable end At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
