Perspectives On Paul:

Perspectives on Paul Scot McKnight, B. J. Oropeza, 2020-10-27 This five views work brings together an all star lineup of Pauline scholars to offer a constructive interdenominational up to date conversation on key issues of Pauline theology The editors begin with an informative recent history of biblical tradition related to the perspectives on Paul John M G Barclay A Andrew Das James D G Dunn Brant Pitre and Magnus Zetterholm then discuss how to interpret Paul s writings and theology especially the apostle s view of salvation The book concludes with an assessment of the perspectives from a pastoral point of view by Dennis Edwards

Beyond Old and New Perspectives on Paul Chris ed Tilling, 2014-11-27 New Testament studies are witnessing many exciting developments and Douglas Campbell s groundbreaking publications offer an important contribution to future discussions about Paul Campbell tackles familiar problems relating to justification old and new perspectives and much more besides in fresh and exciting ways In doing so he sets down one profound challenge after another to all those involved in Pauline studies As a consequence his work demands extended and serious deliberation This book seeks to facilitate academic engagement with Campbell s work in a unique way It contains chapters summarizing key themes in his thinking reflections from friendly critics that aim to challenge or extend his ideas and his own responses to these interlocutors In this way the book allows readers to be drawn into a vitally important conversation It is academic theology in the making and constitutes a cutting edge in Pauline studies

The New Perspective on Paul Kent L. Yinger, 2011-01-01 Can someone please explain this New Perspective on Paul Where did it come from and will it help or hinder Christian interpreters to grasp the apostle s writings more clearly In *The New Perspective on Paul An Introduction* Kent Yinger provides concise readable and authoritative answers to these and other questions currently exercising students of Paul

The New Perspective on Paul James D. G. Dunn, 2007 The collection of essays highlights a dimension of Paul s theology of justification which has been rather neglected in earlier decades that his teaching emerged as an integral part of his understanding of his commission to preach the gospel to non Jews and that his dismissal of justification by works of the law was directed not so much against Jewish legalism but rather against his fellow Jews assumption that the law remained a dividing wall separating Christian Jews from Christian Gentiles The long opening essay interacts with critiques of this new perspective on Paul and seeks to carry forward the debate on Jewish soteriology covenantal nomism on the relation of justification by faith to judgment according to works on Christian fulfilment of the law and on the crucial role of Christ his death and resurrection This book is a wonderful resource for anyone wishing to become acquainted in particular with the work of James Dunn and in general with the so called new perspective on Paul Preston Sprinkle in *Europäische Theologische Zeitschrift* 15 Jg 2006 S 171 Es ist zu wünschen dass die über die kontrovers theologischen Fixierungen des 20 Jh s weit hinausführenden Anregungen von den Vertretern der anderen theologischen Disziplinen aufgegriffen und produktiv rezipiert werden Karl Wilhelm Niebuhr in *Theologische Literaturzeitung* 132 Jg 2007 S 168

Perspectives on Paul Ernst

Käsemann,1971 Kasemann treats major themes in Paul s thought with his customary originality clarity and brilliance The book s starting point is Paul s anthropology Kasemann maintains that stresses both man s individuality and his place within the cosmos For Paul justification must also be seen in cosmic and eschatological terms Individual essays in this book focus on Paul s theology of the cross on the motif of the body of Christ on Christian worship and on the terms spirit and letter Within his discussion of the apostle Kasemann criticizes extreme views of institutional orthodoxy and some aspects of Bultmannian existentialism Those familiar with theological trends will be especially interested in the author s comments on the ideas of Johannes Munck Krister Stendahl and Rudolf Bultmann Those new to Kasemann will discover a scholar who never loses sight of the relation between biblical study and the life of the church This collection of essays is essential reading for anyone studying Paul or New Testament theology

In Defense of the New Perspective on Paul Don Garlington,2005-01-25 The following book is comprised of a series of essays and reviews that have been produced over the past several years all related in one way or the other to the New Perspective on Paul NPP This defense of the NPP takes the form of a combination of exegesis and extended book reviews In endeavoring to defend the NPP the eight chapters of this book contain a common thread namely that the movement generically bearing this moniker is not inimical to most historical traditional systems of soteriology Yet because of the rather volatile reaction of many the volume seeks to redress the balance in favor of a more tempered approach to a highly controversial topic

Paul Unbound Mark D. Given,2022-06-24 As long as there are readers of Paul there will be always be other perspectives The essays in this second edition of Paul Unbound Other Perspectives on the Apostle provide introductions to Paul s relationship to and views on the Roman Empire first century economic stratification his opponents ethnicity the law Judaism women and Greco Roman rhetoric Contributors Warren Carter Charles H Cosgrove A Andrew Das Steven J Friesen Mark D Given Deborah Krause Mark D Nanos and Jerry L Sumney have added addendums to their original essays and updated the bibliography to take into account scholarship produced in the decade since the publication of the first edition The collection provides essential background and sets out new directions for study useful to students of the New Testament and Paul s letters

Pauline Perspectives N. T. Wright,2013-11-01 This companion volume to Paul and the Faithfulness of God and Paul and His Recent Interpreters brings together N T Wright s most important articles on Paul and his letters over the last three decades The book begins with Wright s auspicious essay of 1978 when as a young aspiring scholar he gave the annual Tyndale lecture in Cambridge and proposed for the first time a new perspective on Pauline theology The book ends with an expanded version of a paper he gave in Leuven in 2012 when as a seasoned scholar at the height of his powers he explored the foundational role of Abraham in Romans and Galatians

Ancient Perspectives on Paul Tobias Nicklas,Andreas Merkt,Joseph Verheyden,2013-06-19 While the so called New perspective in Paul has been in the focus of New Testament exegesis for more than 25 years now ancient interpretations of Pauline texts and ideas have been neglected widely The present volume aims to fill this gap Its articles concentrate on three

different foci of modern exegesis interpretations of Paul's conversion his ideas about the relation of grace and works and the fate of Israel Several additional articles contrast these ancient perspectives with answers of modern exegesis Four Views on the Apostle Paul Zondervan,2012-08-07 An introduction to ongoing debates on the apostle Paul's life and teaching and his letters ramifications for the Church of today The apostle Paul was a vital force in the development of Christianity Paul's historical and religious context affects the theological interpretation of Paul's writings no small issue in the whole of Christian theology Recent years have seen much controversy about the apostle Paul his religious and social context and its effects on his theology In the helpful Counterpoints format four leading scholars present their views on the best framework for describing Paul's theological perspective including his view of salvation the significance of Christ and his vision for the churches Contributors and views include Reformed View Thomas R Schreiner Catholic View Luke Timothy Johnson Post New Perspective View Douglas Campbell Jewish View Mark D Nanos Like other titles in the Counterpoints Bible and Theology collection Four Views on the Apostle Paul gives theology students the tools they need to draw informed conclusions on debated issues General editor and New Testament scholar Michael F Bird covers foundational issues and provides helpful summaries in his introduction and conclusion New Testament scholars pastors and students of Christian history and theology will find Four Views on the Apostle Paul an indispensable introduction to ongoing debates on the apostle Paul's life and teaching The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion Beyond Old and New Perspectives on Paul Chris Tilling,2014-05-05 New Testament studies are witnessing many exciting developments And Douglas Campbell's groundbreaking publications are an important contribution to future discussions relating to Paul Familiar problems relating to justification old and new perspectives and much more besides have been tackled in fresh and exciting ways setting down challenge after challenge to all those involved in Pauline studies Campbell's publications therefore demand serious engagement This book seeks to facilitate academic engagement with Campbell's work in a unique way It contains numerous chapters critiquing his proposals while others summarize the key themes succinctly But it also contains Campbell's own response to the reception of his work allowing him space to outline how his thinking has developed In so doing this work allows readers to be drawn into a vitally important conversation It is academic theology in the making and constitutes the cutting edge of Pauline studies **The New Perspective on Paul** James D.G. Dunn,2008 The New Perspective on Paul By author James D G Dunn published on January 2008 by James D G Dunn 2008 Paul Within Judaism Michael Bird,Ruben A. Böhner,Jörg Frey,Brian Rosner,2023 *The Pastoral Epistles and the New Perspective on Paul* Daniel Wayne Roberts,2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran

position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul s View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7

Lucan Perspective on Paul Janusz Kucicki, 2022-06-16 Despite all scientific doubts regarding Acts Luke s writing was and still is an extremely important source for understanding the man who contributed the most directly or indirectly to the canon of the New Testament Luke is the first known to us person who recognized the importance of Paul s life and his mission activities as well as Paul s innovative interpretation of the whole Jewish tradition that can be compared only with Copernicus statement that resulted in a totally new concept of the relationship between mankind and God where the center of the relationship is Jesus of Nazareth the Resurrected Messiah for both Jews and Gentiles Although Luke did not save Paul for us because Paul produced many writings on his own he did however give us a very important look at Paul that balanced the rejection of Paul as the Jewish teacher with his indispensable contribution to transferring the Jewish concept of God into the Hellenistic religions systems Without the Acts of the Apostles we would have to create a picture of Paul based on his writings which is quite a challenging task If the letters of Paul gave us some accounts about Paul s attitude and thoughts in particular situations then Luke s Acts supplies this particular perspective with a deeper evaluation of Paul by a second witness Luke definitely wants to present to the reader s his Paul who does not necessarily have to be unlike the historical Paul

The New Perspective on Grace Edward Adams, Dorothea H. Bertschmann, Stephen J. Chester, Jonathan A. Linebaugh, Todd D. Still, 2023-08-08 For those inspired by Barclay s Paul and the Gift Over the course of his academic career John M G Barclay has transformed how we think about Paul Barclay s contributions to Pauline Studies reached a new height with the publication of his award winning Paul and the Gift in which he presents a sophisticated reading of Paul s theology of grace within the context of gift giving in the Greco Roman world But where does Pauline scholarship go from here Featuring a diverse group of internationally renowned scholars The New Perspective on Grace collects essays inspired by Barclay s magnum opus These essays broadly explore the implications of grace and gift across a variety of fields biblical studies theology reception history and theology in practice Topics include Paul s soteriology The role of grace in Paul s life and ministry Implications of the New Perspective on Paul Divine giving in the Gospels Gift giving and Christian aesthetics

Interpretations of Pauline grace from the patristic period to the present Self giving and self care Grace and ministry in marginalized communities The New Perspective on Grace is essential reading for all students and scholars who want to understand the current state of Pauline scholarship Contributors Edward Adams Dorothea H Bertschmann Ben C Blackwell David Briones Marion L S Carson Stephen J Chester Susan Grove Eastman Troels Engberg Pedersen Simon Gathercole Beverly Roberts Gaventa John K Goodrich Judith M Gundry Jane Heath David G Horrell Jonathan A Linebaugh Joel Marcus Orrey McFarland Dean Pinter Todd D Still Paul Trebilco Michael Wolter Mockingbird Top Theology Books List 2023 A Discourse Analysis of Galatians and the New Perspective on Paul David I. Yoon, 2019-04-09 In A Discourse Analysis of Galatians and the New Perspective on Paul David I Yoon outlines discourse analysis from the framework of Systemic Functional Linguistics for analyzing Paul's letter to the Galatians From this analysis he determines whether the context of situation better reflects the New Perspective on Paul covenantal nomism or a more traditional perspective legalism The first half of the book introduces the New Perspective on Paul and discourse analysis followed by a detailed model of SFL discourse analysis with respect to register and context of situation The second half is a discourse analysis of Galatians This is the first monograph length study to address the New Perspective on Paul from a linguistic approach and will as such be of great interest to scholars of Pauline Studies linguistics and theology *Romans 4 and the New Perspective on Paul* Gerhard H. Visscher, 2009 In addition to examining Romans IV includes discussion of writings supporting and opposing the New Perspective position *Studies in the New Perspective on Paul* Don Garlington, 2008-06-15 This collection of essays follows upon its predecessor originally entitled In Defense of the New Perspective on Paul Essays and Reviews Wipf and Stock 2005 This second edition differs from the first in that five new chapters have been added and one review article has been deleted The change of the main title to Studies in the New Perspective on Paul is due to the conviction that the New Perspective on Paul actually represents a return to the original context in which Paul proclaimed the gospel of Christ Therefore it is not something to be defended but propounded in the most positive terms possible *In Defense of the New Perspective on Paul* Don Garlington, 2005-01-25 The following book is comprised of a series of essays and reviews that have been produced over the past several years all related in one way or the other to the New Perspective on Paul NPP This defense of the NPP takes the form of a combination of exegesis and extended book reviews In endeavoring to defend the NPP the eight chapters of this book contain a common thread namely that the movement generically bearing this moniker is not inimical to most historical traditional systems of soteriology Yet because of the rather volatile reaction of many the volume seeks to redress the balance in favor of a more tempered approach to a highly controversial topic
