A biography of Marshal Philippe Pétain
of Vichy **Richard Griffiths**

Petain A Biography Of Marshal Philippe Petain

Robert Bowman Bruce

Pétain A Biography Of Marshal Philippe Pétain:

Marshal Pétain Richard Griffiths, 2011-05-19 Marshal Philippe Pétain was in the words of historian Andrew Roberts the most controversial Frenchman of the twentieth century A truly distinguished soldier who rose from humble origins he commanded French forces at Verdun in 1916 and became a national hero But though by 1940 he had become French Deputy Prime Minister his political abilities were meagre And after France fell to the Nazis it was Pétain who signed the armistice and from the spa town of Vichy ruled over the Etat Français Hitler had left him Richard Griffiths tells this sorry story in outstanding detail all the way to Pétain's ignominious end and not stinting to show his culpability in the Vichy persecution of French Jews and its suppression of the internal Resistance Pétain utterly obscure until the age of 58 was hurled to fame by his defence of Verdun in 1916 This saved his country's bacon he would say her honour at a crisis point of the Great War Thereafter he became an almost monarchical figure more revered than any living Frenchman even after the disaster of 1940 But then as head of the puppet Vichy government he slid into ignominy after failing to square honour with military humiliation Griffiths's durable biography paints not a devil but a courageous misguided man with a hole where others keep their political acumen Robin Blake Independent [Pétain: a Biography of Marshal Philippe Pétain of Vichy](#) Richard Griffiths, 1972 **France on Trial** Julian Jackson, 2023-08-22 A Telegraph Spectator Prospect and Times Best Book of the Year This is a story not just about Pétain but about war and resistance the moral compromises of leadership and the meaning of France itself Margaret MacMillan This is a finely tuned history Those who enjoy tales of the sparring among excellent lawyers arguing an important case will find this book riveting And for those who want to understand contemporary France and its intricate politics *France on Trial* provides a vibrant analysis of a trial and verdict that remain contentious almost eight decades later Ronald C Rosbottom Wall Street Journal Shows Jackson at his best precise in detail vivid in imagery alert to irony firm in judgment and carefully disentangles the questions surrounding the Vichy regime that continue to vex French society Robert O Paxton Harper's In the terrible month of October 1940 few things were more shocking than the sight of Marshal Philippe Pétain supremely decorated hero of the First World War now head of the French government shaking hands with Hitler Pétain announced that France would henceforth collaborate with Germany This is my policy he intoned My ministers are responsible to me It is I alone who will be judged by History Five years later Pétain was put on trial for his conduct during the war He stood accused of treason charged with heading a conspiracy to destroy France's democratic government and collaborating with Nazi Germany Award winning author Julian Jackson uses Pétain's three week trial as a lens through which to examine one of history's great moral dilemmas Was the policy of collaboration four years to erase from our history as the prosecution claimed Or was it as conservative politicians insist to this day a sacrifice that placed pragmatism above moral purity As head of the Vichy regime Pétain became the lightning rod for collective guilt and retribution But he has also been an icon of the nationalist right ever since In *France on Trial* Jackson blends courtroom

drama political intrigue and brilliant narrative history to highlight the hard choices and moral compromises leaders make in times of war

Pétain Robert B. Bruce,2008-09 Analyzes the military career of one of the greatest yet controversial French military commanders of the twentieth century

Pétain Charles Williams,2007-05 Charles Williams major biography of Philippe Pétain 1856 1951 tells of a peasant who became a Marshal of France and the Head of the Vichy State A slow climb up the army ranks was leading inexorably to retirement when war broke out He defended Verdun in 1916 and settled the mutinies in 1917 In May 1940 he realised that France had been defeated and requested an armistice As head of unoccupied France he jockeyed between Nazis Allies and Vichy politicians until in 1945 he returned to France to be tried for treason His death sentence was commuted by General de Gaulle to life imprisonment In recounting Pétain s long life Lord Williams one of our most notable political biographers has successfully illustrated the character of an extraordinary man

Pétain; a Biography of Marshal Philippe Pétain of Vichy Richard Griffiths,1972

Pétain the Soldier Stephen Ryan,2013-07 Pétain the Soldier is the military biography of Marshal Philippe Pétain showing his impact on French military policy during two World Wars An account of the strategic planning and tactical problems experienced by the French military establishment during the first half of the twentieth century

Marshal Pétain Richard Griffiths,1994

Pétain Nicholas Atkin,2014-06-17 Pétain 1856 1951 remains one of the most controversial figures in the history of modern France He was saviour of his country at Verdun in 1916 during the First World War but tried for treason as head of state of the collaborationist Vichy government after World War II Were his actions those of a traitor or a patriot facing the total disintegration of his country In exploring the actions of this controversial figure Nicholas Atkin also reveals the divisions and uncertainties of France herself

Pétain Herbert R. Lottman,1985

Pétain Charles Williams,2005 A portrait of the controversial French army commander in chief who surrendered France s Jewish population to Nazi occupiers describes Pétain s youth as an orphan peasant and identifies the determining factors behind his decisions By the author of The Last Great Frenchman A Life of General de Gaulle

Reader's Guide to Military History Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations

Professional Journal of the United States Army ,1972

Sons of France: Pétain and De Gaulle Jean Raymond Tournoux,1966

Pétain Robert Bowman Bruce,2008 Few figures in modern French history have aroused more controversy than Marshal Philippe Pétain who rose from obscurity to great fame in the First World War only to fall into infamy during the dark days of Nazi occupation in World War II Pétain s brilliant theories of firepower and flexible defense as well as his deep

empathy for the soldiers of France and the horrific trials they endured on a daily basis mark him as one of the greatest Allied generals of World War I Yet today he is best remembered as the nearly senile marshal who was handed the reins of power in France in the midst of the disastrous 1940 campaign and tasked with seeking terms from Nazi Germany His leadership of Vichy France from 1940 to 1944 and his postwar conviction of treason and lifetime exile to the Ile d'Yeu made him a scapegoat for the nation This later perception forever tainted P tain s military reputation as a soldier who served France his entire life and led the French Army through the crucible of Verdun the morale crisis of 1917 and on to final victory in the Great War He was despised for his actions as an octogenarian in June 1940 With the bulk of the French Army already destroyed and Paris itself wide open to attack P tain then eighty four immediately sought an armistice with Germany to halt further bloodshed While others fled P tain took what he considered the braver course by staying and doing what he could to safeguard the remnants of his army and his nation So began his descent into collaboration treason and the destruction of all that he had accomplished and stood for throughout his life

Pétain Nicholas Atkin,2014-06-17 P tain 1856 1951 remains one of the most controversial figures in the history of modern France He was saviour of his country at Verdun in 1916 during the First World War but tried for treason as head of state of the collaborationist Vichy government after World War II Were his actions those of a traitor or a patriot facing the total disintegration of his country In exploring the actions of this controversial figure Nicholas Atkin also reveals the divisions and uncertainties of France herself

Encyclopedia of Modern Dictators Frank J. Coppa,2006 Original Scholarly Monograph *The Era of World War II* Roy S. Barnard,William Joseph Burns,Duane Ryan,US Army Military History Institute,1977
