Condon,2004-04-30 The function of print resources as instructional guides and descriptors of popular music pedagogy are addressed in this concise volume Increasingly public school teachers and college level faculty members are introducing and utilizing music related educational approaches in their classrooms This book lists reports dealing with popular music resources as classroom teaching materials and will stimulate further thought among students and teachers It focuses on the growing spectrum of published scholarship available to instructors in specific teaching fields art geography social studies urban studies and so on as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles Building on two recent publications Teaching with Popular Music Resources A Bibliography of Interdisciplinary Instructional Approaches Popular Music and Society XXII no 2 Summer 1998 and American Culture Interpreted through Popular Music Interdisciplinary Teaching Approaches Bowling Green State University Popular Press 2000 this volume focuses on the growing spectrum of published scholarship that is available to instructors in specific teaching fields art geography social studies urban studies and so on as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles

Cover Me Ray Padgett,2017-11-03 From the creator of the popular website covermesongs com comes the perfect book for music fans the inside stories behind 20 iconic

cover songs and the artists who turned them into classics A great cover only makes a song stronger Jimi Hendrix's version of Bob Dylan's All Along the Watchtower The Beatles rocking out with Twist and Shout Aretha Franklin demanding Respect Without covers the world would have lost many unforgettable performances This is the first book to explore the most iconic covers ever from Elvis's Hound Dog and Joe Cocker's With a Little Help from My Friends to the Talking Heads Take Me to the River and Adele's Make You Feel My Love Written by the founder of the website covermesongs.com each of the 19 chapters investigates the origins of a classic cover and uses it as a framework to tell the larger story of how cover songs have evolved over the decades Jimi Hendrix doing All Along the Watchtower The Beatles singing Twist and Shout Aretha Franklin demanding Respect Ray Padgett the founder of the popular website covermesongs.com explores these and other iconic covers in the first book ever on this topic As he investigates each of 19 songs Padgett also tells the larger story of how covers have evolved over the decades Cover Me is packed with insight photography and music history *Elvis Costello, Joni Mitchell, and the Torch Song Tradition* Larry David Smith, 2004-04-30 The torch song has long been a vehicle for expression perhaps American song's most sheerly visceral one Two artists in particular have built upon this tradition to express their own unique outlooks on their lives and the world around them Joni Mitchell Elvis Costello and the Torch Song Tradition combines biographical material artist commentary critical interpretation and selected exemplars of the writer's work to reveal the power of authorship and the creative drive necessary to negotiate an artistic vision in the complicated mechanisms of the commercial music industry Author Larry David Smith as in his Bob Dylan Bruce Springsteen and American Song considers the complicated intersection of biography creative philosophy artistic imperative and stylistic tendencies in the work of both Joni Mitchell and Elvis Costello two songwriters with seemingly nothing in common one famously confessional and one famously confrontational Yet as Smith shows so incisively they are two personalities that prove fascinatingly complementary Mitchell and Costello both yielded bodies of work that are cohesive coherent and rich in meaning Both have made historic contributions to the singer-songwriter model two rebellious responses to the creative and commercial compromises associated with their chosen field and two distinct thematic responses to the torch song tradition Smith examines these responses offering a unique and invaluable exploration of the craft of two of the last century's most towering musical figures **The Who** Richard Bogovich, Cheryl Posner, 2024-10-09 The British rock band The Who has been hailed as the world's greatest live rock and roll act if not the greatest rock band period In the band's prime its members Roger Daltrey John Entwistle Keith Moon and Peter Townshend frequently clashed but their conflicts also resulted in ten years of remarkable music In 1990 The Who was inducted into the Rock and Roll Hall of Fame Profiled here are the people who influenced were influenced by or were in some other way connected with one or more members of The Who Readers will find a vast array of entries ranging from musicians such as Billy Idol who took part in live performances of Tommy and Quadrophenia and AC/DC guitarist Angus Young who said Pete Townshend was the only guitarist ever to influence him to

behind the scenes people such as Glyn Johns the English recording engineer and producer who helped create the acclaimed Who's Next 1971 and Quadrophenia 1973 and Nicky Hopkins the much in demand pianist who was among The Who's earliest studio collaborators. Seemingly unrelated personalities such as Muppets creator Jim Henson are in he is believed to have modeled The Muppet Show's maniacal drummer Animal after The Who drummer Keith Moon.

Writing Dylan Larry David Smith, 2018-11-02 This study of Dylan's mission driven music reveals a functional approach to art that not only sustained his 60 year career but forever changed an art form. The second edition of *Writing Dylan: The Songs of a Lonesome Traveler* examines Nobel Laureate Bob Dylan's historic career yielding unique insights into a distinctively American artist's creative world. The book opens with a short biography and description of Dylan's artistic method before diving into the seven missions of his life's work. Chapters are supported by song lyrics of which the author's license agreement with Bob Dylan Music enables a definitive presentation. Since the release of the first edition in 2005 the laureate has produced three albums of original material as well as three widely praised albums of American standards. Columbia Records has issued multiple boxed sets chronicling specific periods of Dylan's career and several films have been made about him. Dylan himself has also given numerous speeches and interviews often while accepting prestigious awards. This second edition not only features these new materials but draws on them to recast the first edition presenting Dylan's music as an indelible art form.

Feedback Casey Harison, 2014-11-06 In *Feedback: The Who and Their Generation* historian Casey Harison offers a cultural and social history of one of the most successful bands of the 1960s British Invasion. In this historically sensitive account of the superband's impact during its first decade Harison describes the key role played by The Who in the formation of the Atlantic Generation of rock n roll fans. When the band first burst onto the scene they quickly established their reputation for amping up the volume pushing distortion effects, feedback and destroying instruments on stage at the end of performances. If The Who did nothing else for their generation they would have easily secured a place in rock n roll history for high volume smashed guitars and kicked over drum sets. Ever since The Who's stage antics have achieved iconic status in rock n roll. But we should not forget how startling this on stage violence was and what it signified. Audiences had never experienced music so loud, a band so energetic and stage destruction so redolent of the frustrations they shared. If anything who'd have thought the three in combination with excellent songwriting and studio production would emerge as a formula for success. *Feedback: The Who and Their Generation* begins with the roots of rock music setting the stage for The Who when its four band members came together in 1964 to produce their most successful work over the next decade. Throughout Harison looks at the musical and social cross Atlantic feedback that characterized The Who's reception and impact. From distorted guitars to big sound drum solos The Who mirrored youth culture its anger and its frustrations from the class conflicts of England and Europe to the Vietnam protest movements of the United States. The Who like no other British Invasion band assumed a signal role in the transatlantic cultural traffic. From the American music traditions they borrowed rock, blues, R B they transformed and

returned to America the very music that served as their source of anger echoing audiences angst while developing enormous fan bases in Europe and America *Focus On: 100 Most Popular Grammy Lifetime Achievement Award Winners* Wikipedia contributors, **The Who and the Making of Tommy** Nigel Cawthorne, 2005 **Dark Mirror** Donald Brackett, 2008-09-30 Singer songwriters lyrical reflections have a magical way of expressing our own sentiments and feelings Almost all of the singer songwriters discussed here including Bob Dylan John Lennon Tom Waits Amy Winehouse The White Stripes and many more sing in an exotic and raw vocal style which one would not traditionally call reassuring and yet their profoundly unique voices appear to be the only ones capable of conveying their unique messages One of the key elements being studied in this book is the fact that singer songwriters often suffer from a deep sense of loneliness perhaps associated with a sense of being the only one who could adequately sing and perform what they compose Often even those who write within a famed partnership still compose for that other voice exclusively much to their chagrin The irony here is that it is this very tendency towards self absorption that allows these artists to speak so eloquently for all the rest of us Utilizing firsthand musical reflections on the nature of the singer songwriter psychology and its consequences on art and private life **Dark Mirror** explores the intricate nature of isolation and self absorption in the singer songwriter s creative work Lyrical reflections have a magical way of expressing our own sentiments and feelings Almost all of the singer songwriters discussed in this volume including Bob Dylan John Lennon Tom Waits Amy Winehouse The White Stripes and many more sing in an exotic and raw vocal style which one would not traditionally call reassuring and yet their voices appear to be the only ones capable of conveying their own unique messages One of the key elements being studied in this book is the fact that singer songwriters often suffer from a deep sense of loneliness perhaps associated with a sense of being the only one who could adequately sing and perform what they compose Often even those who write within a famed partnership still compose for that other voice exclusively much to their chagrin The irony here is that it is this very tendency towards self absorption that allows these artists to speak so eloquently for all the rest of us This work is divided into three principal sections part one delves into the singer songwriters who function primarily as solo artists part two explores singer songwriters who function primarily as part of a team and who wouldn t write quite the same material for a different partner and part three surveys those who function as members of a larger thematic community or stylistic tribe within which they share certain creative sentiments Utilizing firsthand musical reflections on the nature of the singer songwriter psychology and its consequences on art and private life **Dark Mirror** explores the intricate nature of isolation and self absorption within the singer songwriter s creative work **The Who. Pure and easy** Eleonora Bagarotti, 2011-08-24T00:00:00+02:00 Insieme ai Beatles e ai Rolling Stones gli Who formano la trinit del rock Parola di Rolling Stone e come dargli torto In oltre quarantanni di attivit la band britannica capitanata dal chitarrista e songwriter Pete Townshend ha coniato l espressione power pop cavalcato la sottocultura mod definito il genere della rock opera con Tommy e Quadrophenia regalato al pubblico concerti incendiari Le

canzoni di Townshend sono riuscite a dare voce come forse nessun'altra all'impeto alla rabbia e alla disperazione dei giovani con inni leggendari come *My Generation* e *Won't Get Fooled Again* ma nel tempo hanno affrontato anche temi come la ricerca spirituale la riflessione sull'invecchiamento e sul ruolo della musica Il libro di Eleonora Bagarotti ripercorre la storia affascinante e folle della band tra litigiosi progetti mancati reunion e lutti dalla formazione a Shepherd's Bush alla metà degli anni Sessanta alla tragica scomparsa del geniale e sregolato batterista Keith Moon nel 1978 e del fenomeno del basso John Entwistle nel 2002 da *I Can't Explain* a *Endless Wire* l'album pubblicato dal chitarrista insieme al vocalist Roger Daltrey nel 2006 dopo ventiquattro anni di silenzio discografico Pungolato dall'autrice lo stesso Townshend si presta al gioco del commento ai suoi stessi testi con dichiarazioni inedite ed esclusive Prefazione di Ernesto Assante *Musicians & Composers of the 20th Century* Alfred William Cramer, 2009 Benny Goodman Dizzy Gillespie Jim Morrison Kurt Cobain these are the people who helped shape the history of music Their stories and others are told in *Musicians and Composers of the 20th Century* This five volume set offers biographical and critical essays on over 600 musicians in just about every genre imaginable from Accordion Players to Musical Theater Composers to World Music and everything in between **Historical Abstracts**, 1999 The British National Bibliography Arthur James Wells, 2003 **The Library Journal**, 1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *American Book Publishing Record*, 1999 **Choice**, 2004

Bob Dylan, Bruce Springsteen, and American Song Larry David Smith, 2002-10-30 Exposing the depth of two major artists philosophies creative visions stylistic tendencies and contributions to their craft this unprecedented comparative analysis synthesizes biographical material critical interpretation and selected exemplars of the writers work Smith reinterprets their work in a new and fascinating light presenting Dylan as a songwriter of enigmatic wordplay and Springsteen as the melodramatic narrator of a specific community's life struggles Both songwriters have had unique responses to the celebrity singer songwriter tradition begun by Woody Guthrie Smith reveals the power of authorship and the creative drive necessary to negotiate an artistic vision through the complicated mechanisms of the world of commercial art Both have discovered their own means of traveling this difficult terrain and Smith probes their lives and work to reveal the myriad ways in which two distinct equally significant artists have learned from and contributed to an ongoing and important American musical tradition
