The Tailor of Gloucester illustrated Beatrix Potter, 2021-08-26 The Tailor of Gloucester illustrated Beatrix Potter This original authorised version has been lovingly recreated electronically for the first time with reproductions of Potter's unmistakable artwork optimised for use on colour devices such as the iPad The Tailor of Gloucester was first published in 1903 and tells the story of a poor tailor trying to survive in his freezing workshop over a hard winter He has a terribly important commission to complete for the Mayor of Gloucester's wedding on Christmas Day but is ill and tired and before long is running out of food and thread as well as time How will he possibly complete the beautiful coat and embroidered waistcoat Luckily there lives in the dresser some very kind and very resourceful mice who set about helping the poor tailor with his work Not only are they exceedingly helpful but they are also luckily far far too clever for the tailor's sly cat Simpkin

The Tailor of Gloucester Beatrix Potter, 1903 The tailor is aided in his work by the mice living in his shop The Tailor of Gloucester Beatrix Potter, 2020-10-09 Beatrix Potter loved the countryside and she spent much of her otherwise conventional Victorian childhood drawing and studying animals Her passion for the natural world lay behind the creation of her famous series of little books A particular source of inspiration was the English Lake District where she lived for the last thirty years of her life as a farmer and land conservationist working with the National Trust She described The Tailor of Gloucester as her own favourite among her books It was based on the true story of a tailor who left the unsewn pieces of a coat in his shop and found that the garment had been mysteriously finished for him in the night It turned out that the real tailor's assistants were his apprentices but in Beatrix Potter's version of the story the secret helpers are skilful little brown mice

The Tailor of Gloucester Beatrix Potter, 2018-06-04 The Tailor of Gloucester is a children's book written and illustrated by Beatrix Potter privately printed by the author in 1902 and published in a trade edition by Frederick Warne Co in October 1903 The story is about a tailor whose work on a waistcoat is finished by the grateful mice he rescues from his cat and was based on a real world incident involving a tailor and his assistants For years Potter declared that of all her books it was her personal favourite

The Tailor of Gloucester Beatrix Potter, 2018-08-14 The Tailor of Gloucester Large Print By Beatrix Potter In the time of swords and periwigs and full skirted coats with flowered lappets when gentlemen wore ruffles and gold laced waistcoats of paduasoy and taffeta there lived a tailor in Gloucester He sat in the window of a little shop in Westgate Street cross legged on a table from morning till dark All day long while the light lasted he sewed and snipped piecing out his satin and pompadour and lute string stuffs had strange

names and were very expensive in the days of the Tailor of Gloucester But although he sewed fine silk for his neighbours he himself was very very poor a little old man in spectacles with a pinched face old crooked fingers and a suit of thread bare clothes He cut his coats without waste according to his embroidered cloth they were very small ends and snippets that lay about upon the table Too narrow breadths for nought except waistcoats for mice said the tailor One bitter cold day near Christmastime the tailor began to make a coat a coat of cherry coloured corded silk embroidered with pansies and roses and a cream coloured satin waistcoat trimmed with gauze and green worsted chenille for the Mayor of Gloucester The tailor worked and worked and he talked to himself He measured the silk and turned it round and round and trimmed it into shape with his shears the table was all littered with cherry coloured snippets No breadth at all and cut on the cross it is no breadth at all tippets for mice and ribbons for mobs for mice said the Tailor of Gloucester When the snow flakes came down against the small leaded window panes and shut out the light the tailor had done his day s work all the silk and satin lay cut out upon the table We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Tailor of Gloucester** ,1968 *The Tailor of Gloucester* Beatrix

Beatrix Potter 1866-1943 was an English author, illustrator, natural scientist, and conservationist, best known for her children's books featuring animals. Potter's artistic and literary interests were deeply influenced by fairies, fairy tales, and fantasy. Her best-known picture book is *The Tale of Peter Rabbit*, which was also her first publication. The great success was followed by the number of successful children's books about animals, such as *The Tale of Squirrel Nutkin*, *The Tailor of Gloucester*, and *The Tale of Benjamin Bunny*. She carried on to write and illustrate until her diminishing eyesight made it difficult to continue. Potter's books continue to sell throughout the world in many languages, with her stories being retold in song, film, ballet, and animation.
