The Doubters' Club Preston Ulmer,2021-09-07 The closer we get to the heart of God the closer we should grow toward the doubter the skeptic the differing perspective even the atheist And that should make us wonder Is it possible to grow in our Christian faith without engaging the doubter or the skeptic And if growing in our faith means growing closer to the doubter how do we do that without compromising what we believe to be true The Doubters Club is a guide for people who want to live in friendship with those who think differently than them In *The Doubters*

Club you ll learn how to 1 rebuild the impression the other person has of us as Christians 2 renovate the intention we have with the nonbeliever 3 rely on an invitation into real life not a church service 4 reexamine our views through initiating conversations that matter and 5 redefine progress as imitation not just immersion You ll get practical steps and tools to help you navigate relationships and conversations but not foolproof methods because there aren t any Maybe you re ready to take a chance because it s your mom or dad who is the skeptic a sibling an old friend a coworker or a neighbor Maybe you re just ready to embrace the adventure of your faith If you are open to the mystery of doubt The Doubters Club invites you to bring your uncertainties as common ground for relationship with skeptics and see what God does *Practicing the Kingdom* Justin Bronson Barringer, Maria Russell Kenney, 2022-02-07 Throughout her academic career Christine D Pohl has helped the church rediscover practices that used to be central to its life like hospitality community and friendship Perhaps best known for her groundbreaking *Making Room Recovering Hospitality as a Christian Tradition* she has also contributed significantly to discussions on Christian community feminism and the academy and the practice of friendship Yet behind this lies a lifetime of lived theology that informs her life and her work both inside and outside the academy Containing biblical systematic and moral theology these essays are scriptural and liturgical multidisciplinary and missional Several of them could be described as offering essays of lived theology writing and reflecting from within years of action and contemplation They build upon particularly fruitful aspects of Pohl s work through expansion clarification and occasional disagreement A mix of scholars and practitioners colleagues former students and friends the contributors represent a wide variety of theoretical and practical expertise This volume honors Pohl most when its readers choose to take the wisdom within its pages and embody that in life together Nice Sharon Hodde Miller, 2019-08-20 God never called us to be nice What happens when we replace courage with compromise What happens when we replace honesty with likability What happens when we replace conviction with clichés What happens when we replace discipleship to Christ with a devotion to nice We live in a culture that prizes niceness as one of its highest virtues Niceness keeps the peace wins friends gains influence and serves our reputations well but it also takes the teeth out of our witness and the power out of our faith When we choose to be nice instead of faithful we bear fruits that are bland bitter empty and rotten to the core In this life changing book Sharon Hodde Miller explores the seemingly innocent idol that has crept into our faith and quietly corrupted it producing the bad fruits of cowardice inauthenticity shallowness and more Then she challenges readers to cultivate a better tree providing practical steps to reclaim our credibility as followers of Christ and bear better richer more life giving fruits **Made in His Image** Diane Wiedemann, 2025-09-24 My first therapist told me I needed a witness and here on this date 25 September 2022 the Lord spoke unto me that He was in fact the first witness to my story and He then witnessed my story back unto me He then did compel me to write first for the healing of myself and then for the healing of others so they in turn can witness to others the power and healing contained within God therapy that was first given unto me and is now available for all who have need
