What Shakes the Bed? John E. Huegel, 2020-02-13 When one moves to Mexico City it doesn't take long to find out what makes the bed shake. The author relates this and other stories about growing up in Mexico City in the thirties, forties, and fifties and invites the reader into the world of a boy navigating between his American heritage and the wonders of his adopted city.

Leader of the Pack Mark W. Allen, 2011-05-04 *Leader of the Pack* recounts the incredible history of USS Batfish, a record-setting American World War II fleet submarine. Batfish entered the pantheon of military lore during its famous sixth patrol in February 1945 where it sank a record three Japanese submarines in seventy-six hours. In addition to offering a rousing and meticulously researched account of the famous sixth patrol, author and military historian Mark W. Allen unravels a nautical mystery that had gone unresolved for over sixty years: the identity of the first Japanese submarine sunk by Batfish skipper John K. Fyfe. Controversy has surrounded the identity of the first submarine almost since the day of the sinking, but *Leader of the Pack* through a diligent recreation of the events that unfolded in the days leading up to the sixth patrol solves the mystery once and for all. Lastly, Allen shares a personal story never told before in such detail of Batfish's rescue of three downed aviators who were forced to ditch their B-25 Mitchell bomber after it was hit by enemy anti-aircraft fire during a bombing mission on the Japanese homeland.

Safe Space Christina B. Hanhardt, 2013-12-04 Winner 2014 Lambda Literary Award in LGBT Studies Since the 1970s a key goal of lesbian and gay activists has been protection against street violence, especially in gay neighborhoods. During the same time, policymakers and private developers declared the containment of urban violence to be a top priority. In this important book, Christina B. Hanhardt examines how LGBT calls for safe space have been shaped by broader public safety initiatives that have sought solutions in policing and privatization and have had devastating effects along race and class lines. Drawing on extensive archival and ethnographic research in New York City and San Francisco, Hanhardt traces the entwined histories of LGBT activism, urban development, and U.S. policy in relation to poverty and crime over the past fifty years. She highlights the formation of a mainstream LGBT movement as well as the very different trajectories followed by radical LGBT and queer grassroots organizations. Placing LGBT activism in the context of shifting liberal and neoliberal policies, *Safe Space* is a groundbreaking exploration of the contradictory legacies of the LGBT struggle for safety in the city.
