**Scripture Twisting** James W. Sire, 2009-09-20 How often have you encountered some bizarre doctrine only to be stunned to hear a Bible verse quoted to support it With new religious cults springing up almost daily and old ones growing rapidly this is more and more common How are they seemingly able to twist Scripture to mean something orthodox Christians have never believed it to mean in two thousand years James Sire author of *The Universe Next Door* and *How to Read Slowly* has isolated twenty separate kinds of reading errors which are characteristically made by cultists as they interpret the Bible He covers the full range from simple misquotation to complex argumentation which links one slightly eccentric interpretation to another mixes in a few orthodox readings and ends with a conclusion totally foreign to the biblical world view Sire also handles twisted translation overspecification virtue by association ignoring the context and other flawed interpretations A book to help us all become better readers of the Scriptures [10 Keys to Witnessing to Cults](#) Rose Publishing, 2008-02 Cults are based on a simple theological fallacy that God is not what the Bible says that He is Once simple scriptural observations are made we can be sure that there is a God and that He is everything that He claims to be in His Word Having a dialogue with someone who believes differently about God can be difficult but this pamphlet helps in many ways Clearly explaining how cultists think giving biblical responses to their arguments providing information about additional resources and offering questions that cultists must answer for themselves authors Ron Rhodes and Christy Harvey Darlington provide a simple resource to assist Christians in their conversations with those involved in cults

Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism **Introduction to Biblical**

Milam, 2008      **Beyond Chapter and Verse** Ken Casillas, 2018-02-28 Do you struggle to connect the dots between the Bible and your life While Christians instinctively want to apply Scripture we encounter difficulties that can discourage us and diminish our engagement with God's Word Indeed biblical application has suffered in various ways in the church everything from neglect to abuse to contempt Responding to such challenges *Beyond Chapter and Verse* provides a biblically based rationale for the practice of application and then proposes a biblically consistent method for application The book is substantive but accessible relevant for believers generally as well as preachers It begins by sketching the broad theological context of Bible application relating it to the gospel generally and to sanctification specifically The heart of the study then synthesizes key Old and New Testament passages relative to the process of application Building on this foundation the book sets forth a sensible approach for arriving at legitimate applications of Scripture A rich assortment of positive and negative case studies illustrates the method motivating believers to apply the Scriptures for themselves      *In the House of Friends* Kenneth J.
