Sculpture and Mural Paintings in the Beautiful Courts, Colonnades and Avenues of the Panama-Pacific International Exposition ... Panama-Pacific International Exposition Company, Jessie Niles Burness, R.A. Reid (Publisher), 1915 **The Art of the Exposition** Eugen Neuhaus, 1915 *The Sculpture and Mural Decorations of the Exposition* Stella G. S. Perry, 2019-11-29 Stella G S Perry's *The Sculpture and Mural Decorations of the Exposition* offers an insightful exploration of the artistic expressions that adorned one of the grandest cultural showcases of the early 20th century. This work is characterized by its meticulous attention to detail and an eloquent narrative style that evokes the splendor of the exposition's visual grandeur. Perry meticulously examines the various sculptural and mural forms framing them within the broader context of Art Deco and the prevailing artistic movements of the time. Each piece is not only seen as a standalone work of art but also as a testament to the social and cultural aspirations of an era marked by innovation and optimism. Stella G S Perry, an esteemed art historian and critic, draws upon her extensive background in fine arts to analyze these monumental works within their historical context. Her passion for public art and keen understanding of the interplay between architecture and sculpture informs her approach. Perry's research was likely influenced by her own experiences in the art world where the transformation of public spaces has always fascinated her. This book is an essential read for art enthusiasts, historians, and students who wish to delve deeper into the significance of sculptural and mural art in public expositions. Perry's scholarly yet accessible prose not only enlightens but also invites readers to appreciate the profound impact of these art forms on collective memory and public consciousness. **Impressions of the Art at the Panama-Pacific Exposition** Christian Brinton, 1916 *Commentary on the Panama Pacific Exposition held San Francisco 1915*

The Sculpture and Mural Decorations of the Exposition Stella George Stern Perry, 2015-06-15 Excerpt from *The Sculpture and Mural Decorations of the Exposition: A Pictorial Survey of the Art of the Panama Pacific International Exposition*.
When I have fears that I may cease to be
Before my pen has glean'd my teeming brain
Before high-piled books in charactery
Hold like rich garner'd the full-ripen'd grain
When I behold upon the night's starry face
Huge cloudy symbols of a high romance
And think that I may never live to trace
Their shadows with the magic hand of chance
And when I feel fair creature of an hour
That I shall never look upon thee more
Never have relish in the faery power
Of unreflecting love then on the shore
Of the wide world I stand alone and think
Till love and fame to nothingness do sink
