technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions More profoundly than any documentary record the collected fiction of Giorgio Bassani *Il Romanzo di Ferrara* captures a very particular and powerful historical reality Italian Jewish life under Fascism especially between the passage of the so called racial laws in 1938 and the end of World War II Set primarily in the provincial city of Ferrara Bassani's narratives interweave themes of death victimization betrayal survival and artistic production His best known novel *The Garden of the Finzi Continis* and other works that concentrate on the crucial years of 1938-1945 stand at the center of the *Romanzo* They are preceded by texts that look back on Jewish life in the liberal era of the Risorgimento and followed by texts set in the liberated democratic society of the postwar years These framing narratives provide a space for remembrance and reflection Marilyn Schneider's aim in *Vengeance of the Victim* is to uncover the symbolic layers historical spatial topographical mythopoeic allegorical and sexual that five Bassani's texts their richness and ambiguity and in so doing to achieve a full understanding of his work and its representation of the Italian Jewish experience Death and victimization which pervade these texts set in motion a process of artistic renewal that is most fully embodied in the vibrant young Micòl Finzi Contini Bassani's textual icon and a victim of the Holocaust Schneider also finds that the narratives especially the late ones pay self-reflexive attention to the creation of the text constructing an authorial persona engaged in an existential moral and artistic journey from symbolic death to rebirth It is the writing subject's successful completion of the journey that constitutes the vengeance of the victim
