The Boat and the Sea of Galilee Leah Lofenfeld,Ramit Frenkel,2010-07-20 In 1986 when drought brought the level of the Sea of Galilee unusually low the two brothers Moshe and Yuval Lufan unearthed the timber frame of an ancient fishing boat Archaeologist Kurt Raveh was to call the two thousand year old boat of the very type Jesus used to sail the Galilee the most important discovery of the twentieth century Recovery and preservation of the waterlogged Jesus boat was a unique challenge as no other wooden object had ever survived two millennia in sweet water Here is the emotional suspenseful and inspiring story of the boat and those who dedicated fourteen years of their lives to making it available for all the world to see

[Understanding the Boat from the Time of Jesus](#) Shelley Wachsmann,2016-01-26 The ancient boat from the Sea of Galilee exhibited at the Yigal Allon Museum at Kibbutz Ginosar speaks of pivotal times on the lake two millennia ago when an itinerant rabbi walked its shores and sailed its waters with his followers and changed the world forever This volume aims to give the non expert reader an in depth understanding of the boat the story of her discovery and excavation and most importantly her significance for

illuminating Jesus ministry by helping us better understand its contemporaneous milieu of seafaring and fishing on the Sea of Galilee

The Jesus Boat Jim Reimann, 2020-09-23 One of the most enjoyable dreams of childhood is that of finding a treasure Here is a true story of a dream comes true One day on the year 1986 when the sea level was low two Israeli brothers living in a kibbutz on the shores of the Sea of Galilee found an ancient boat Little did they know that archaeologists will enthusiastically crown their discovery as one of the most important reminders from Jesus lifetime Excavating the boat from the mud without damaging it was a difficult process which lasted 12 days and nights The ancient wood was extremely fragile when exposed to the atmosphere and the boat had to be rescued by wrapping it in a mantle of fiberglass and insulating foam which helped with both keeping it together and floating it to its new location in the museum adjacent to the place where it was found Since then it is one of the highlights in every Christian pilgrimage tour to the Holy land The Jesus Boat story for kids ties beautifully together this stunning discovery and the biblical text from Mark 4 35 41 about Jesus calming with his miraculous power a sea storm it was a boat much like this ancient one it reveals that Jesus and his friends sailed out one night

The Missions of James, Peter, and Paul Bruce D. Chilton, Craig A. Evans, 2005-01-01 The Missions of James Peter and Paul investigates the nature diversity and relationship of three early and important expressions of Judaic Christianity It is the conviction of the contributors that the Judaic origins of the Christian movement have not been sufficiently understood in both ecclesiastical and academic circles Comparison with contemporary Judaism is foundational and leads to the question that guides discussion How did James relate to such prominent figures as Peter and Paul Given James own eminence those relationships must have been hallmarks of his own stance and status and they open the prospect that we might delineate James theological perspective more precisely than otherwise possible by means of this contrast with Peter and Paul That is the reason for the division of the present volume into two parts The Missions of James Peter and Paul is presented in two parts James and Peter and James Paul Several studies investigate the literary and archaeological evidence that clarifies the world in which James Peter and Paul lived while other studies probe exegetical and theological aspects of the discussion
