The Quest of the Silver Swan A Land and Sea Tale for Boys W. Bert Foster,2022-07-15 Excerpt The sun whose upper edge had just appeared above the horizon cast its first red beams aslant a deserted wilderness of heaving billows Here and there a flying fish spurning its usual element cut the air like a swift ray of light falling back into the sea again after its short flight with a splash that sent myriad drops flashing in the sunlight There were not a few triangular objects dark in color and looking like tiny sails darting along the surface of the sea first in this direction and then in that There was a peculiar sinister motion to these fleshy sails an appearance to make the beholder shudder involuntarily for these objects were the dorsal fins of sharks and there is nothing more bloodthirsty and cruel than these tigers of the sea It was quite noticeable that these monsters had gathered about an object which in comparison with the vast expanse of sea and sky was but a speck It labored heavily upon the surface of the sea and seemed to possess a great attraction for the sharks

for the Coral Sea and adventure In the company of swashbucklers and desperadoes of every description Duncan braves storm shipwreck sharks crocodiles massacre and decapitation in this epic romance of survival amongst the head hunters of the Torres Strait The tale plays out along golden beaches and on tropical islands washed by the crystalline waters of the Coral Sea It is a region of extraordinary beauty and danger as Duncan discovers whilst wending his cautious way betwixt piratical thugs on the one hand and ferocious natives on the other More than a simple adventure Coral Sea Story brings alive those frantic days when the Queensland frontier was wild when fortune seekers and squatters and drunken captains and pearl divers and South Sea Island sailors and Torres Strait warriors battled for control of the Coral Sea and its riches This is Australian history as you ve never seen it big bold and a ripping yarn [Bold Sea Stories](#) Marlin Bree,2020-03-13 Who doesn t love a good sea story Award winning newspaperman Marlin Bree crafts his true tales about the legends and the lore of the world s wickedest waters from the North Atlantic to the South Pacific as well as upon and in the dark depths of the world s biggest inland ocean Lake Superior Here are 21 rousing stories of notorious storms shipwrecks and courageous crews fighting incredible challenges and usually winning This is nonfiction at its award winning best full bodied tales crafted with a quick pace a bold narrative and an inspiring conclusion as well as now and then no dry eyes All stories are true with real people real boats real events They resonate in your heart **The Archeologist and Selected Sea Stories** Andreas Karkavitsas,2021-12-14 Translated into English for the first time The Archeologist is a landmark of Greek national literature and an important document in the history of archeology and classicism Published for the bicentennial year of the outbreak of the Greek War of Independence A Penguin Classic The year 2021 marks the bicentennial of the outbreak of the Greek War of Independence This historical milestone provides the impetus for a new period of intensified reflection on the past present and future of Greece especially in light of recent financial and humanitarian challenges the country has found itself facing the debt crisis that began in the last days of 2009 and the migration crisis five years later These crises had already stirred renewed and often animated debate about Greek national identity especially in relation to Europe and the legacy of classical antiquity remains central to how that relationship is imagined Where does Greece fit into the modern world and what role if any should its celebrated and idealized antiquity play in the country s national identity More than a century ago Karkavitsas s The Archeologist 1904 helped to articulate and frame these kinds of questions The work is an allegory of Greek nationalism that is stylized as a folktale about Aristodemus and Dimitrakis Eumorphopoulos two brothers and descendants of the illustrious Eumorphopoulos line For centuries the family had been persecuted by the Khan family but when the Khan dynasty starts to topple the Eumorphopoulos family resolves to regain their ancestral lands and restore their line s ancient glory Yet the two brothers disagree about the best path forward into the future Aristodemus insists to the point of mania that they must look only to the ancient past to the family s ancient language texts religion and monuments Dimitrakis on the other hand exuberantly embraces the present The Archeologist however attempts to map and dramatize the tensions that were

violently brewing in the Balkans at the turn of the twentieth century and which within a decade of the work's publication would contribute to the outbreak of World War I. Also included in this edition are a selection of sea tales which Karkavitsas heard from sailors during his extensive time aboard ships in the Mediterranean. Considered as indigenous to Greek literature, the four sea stories represent some of the best known of the Tales from the Prow. The Gorgon, one of Karkavitsas's shortest sea stories, is also one of the most famous. Rain and Other South Sea Stories W. Somerset Maugham, 2012-03-05 The clash between a missionary and a prostitute, Rain, is among this master storyteller's most famous tales. Additional selections include Macintosh, The Fall of Edward Barnard, The Pool, and other compelling stories of life in the tropics. **A Century of Our Sea Story** Walter Jeffery, 1900 *Bounty: The Greatest Sea Story of Them All* Geoff D'Eon, 2018-09-25 This is the story of two thrilling generations of Bounty. First, the original eighteenth-century British Naval Transport ship on which the most infamous mutiny in British naval history played out. Pulling together details from various contemporary accounts of these events, author and filmmaker Geoff D'Eon tells the tale of a harsh leader cast out to sea who miraculously finds his way back to England. Then comes the glorious twentieth-century Hollywood recreation of Bounty from Lunenburg, Nova Scotia. Her crew spend delightful weeks in the South Pacific. Years later, Bounty fights for survival as her captain sails her straight into violent Hurricane Sandy. A dramatic rescue effort saves the crew, but the ship, the captain, and one young crew member are lost. Spanning four centuries, this is a story of romance, risk, exotic travel, cruelty, lust, loyalty, jealousy, misadventure, hubris, heroism, and death. Fully illustrated with paintings, photographs, and artifacts, this book tells one of the greatest sea stories of them all.
