Robert G. Lowery

Sean O'Casey A Biography:

Sean O'Casey Christopher Murray, 2004 In *Sean O'Casey Writer at Work* Christopher Murray takes a fresh look at the life of the last of the great writers of the Irish literary revival Re exploring the Dublin of O'Casey's childhood and the political situation in the Ireland during his early life Murray sets them against O'Casey's autobiographies in an attempt to establish O'Casey's Ireland The second half of O'Casey's life was spent mostly outside Ireland and much of his income came from the United States Murray examines his rise as an international figure and contrasts his later more socialist work with his more nationalist early work Christopher Murray establishes O'Casey as a self made man of letters an irrepressible fighter a man who combined political courage and innocence torn between a humanist vision of life rooted in his Dublin childhood and a utopian but blinkered loyalty to the Soviet Union Sean O'Casey *Writer at Work* reconstructs a life committed to writing as a moral endeavour While acknowledging that much of O'Casey's work was uneven flawed and overambitious Murray argues that at its best it was infused with a passion and generosity that place it among the best bodies of drama in the twentieth century

and essays paying special attention to the Dublin trilogy *The Shadow of a Gunman*, *Juno and the Paycock* and *The Plough and the Stars*. It considers the work produced in exile during the war and the late plays. *The Companion* also features a number of interviews and essays by other leading scholars and practitioners including Garry Hynes, Victor Merriman and Paul Murphy which provide further critical perspectives on the work. [Sean O'Casey](#) Brooks Atkinson, Robert G. Lowery, 2019-08-08

Sean O'Casey 1880-1964 was a celebrated but reclusive Irish playwright, writer and individual. If you crossed him, you went on his enemies list and suffered his wrath in writings and mutterings, whether public or private. In 1958 he banned all productions of his plays in Ireland when the Archbishop of Dublin refused to offer a votive mass at a festival in which works of his and James Joyce were being aired. However, he was also enigmatic, a professed Communist and hater of organized religion and dogma, but who seemed centered in a faith in God and most people, but especially in life. It was life and family he celebrated in his plays, books and personal life, and though some of his works are tragic in nature, they do not celebrate tragedy but simply point to the gusto in life. Brooks Atkinson's *Sean O'Casey From Times Past* pulls from Atkinson's numerous reviews of O'Casey with whom he shared a friendship and mutual admiration. With the assist of O'Casey scholar Robert G. Lowery, Atkinson filters these celebrations of life which O'Casey draws with an artist's verve and brush, highlighting in O'Casey's plays, essays and autobiographical works the stings and joys that are part of every one of us. Offering a study of O'Casey, the last of the great writers of the Irish literary revival, this work provides an interpretative context for the life. It looks afresh at the Dublin of the 1880s and 1890s in order to provide a background to O'Casey's childhood. It also focuses on the political situation from 1880 to 1922.
