Sean Lemass A Biography:

Seán Lemass Michael O'Sullivan,1994 **Seán Lemass** John Horgan,1997 **Sean Lemass: The Enigmatic Patriot** John Horgan,1997-10-01 The definitive biography of Se n Lemass the finest Taoiseach in the history of the Irish State There are few facets of Irish life which do not owe something to the genius effectiveness or determination of Lemass Horgan s biography explores that contribution quite brilliantly Bertie Ahern The Irish Times As a boy Se n Lemass fought in the 1916 rising He was a member of de Valera s first cabinet Minister for Industry and Commerce in every Fianna F il government between 1932 and 1959 and as Taoiseach from 1959 to 1966 was the pivotal figure in the modernisation of Ireland The Lemass that emerges from this fine book is an enigma and a passionate patriot a protectionist who later became an apostle of free trade a moderniser in what was often a party of traditionalists John Horgan s excellent biography is the work of a critical admirer who sees his subject as one of the most outstanding Irish political figures of the century The only biographer to have had complete access to all the government papers for the full period of Lemass s political career Horgan provides us with a rounded sympathetic yet critical examination of the life of one of twentieth century Ireland s most distinguished figures a comprehensive and thoughtful work worthy of the subject it lives up to its billing as a major biography of the Fianna F il leader Stephen Collins The Sunday Tribune Se n Lemass was not only one of the most formidable but for all his apparently bluff straightforwardness one of the most elusive personalities in the history of twentieth century Ireland John Horgan s study skilfully crafted and elegantly expressed is a major biography of a major figure greatly enhancing our understanding of the making of modern Ireland J J Lee author of The Modernisation of Irish Society 1848 19 *Seán Lemass* Robert J. Savage,1999 *Sean Lemass* Bryce Evans,2011-08-17 Se n Lemass enjoys unrivalled acclaim as the Architect of Modern Ireland Yet there remain great gaps in our knowledge of this mythic figure and his golden age Up to now Lemass a colossus of twentieth century Irish history was airbrushed to fit a narrative of national progress Today this narrative is undergoing an agonising reappraisal This groundbreaking study reveals the man behind the myth and asks questions previously skirted around What emerges is an authoritarian cunning workaholic patriot a shrewd political tactician whose impatience lay not just with the old Ireland but with democracy itself This is the untold story of a great man and his lasting impact on a nation s imagination *A New History of Ireland Volume VII* J. R. Hill,2010-08-26 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most
