W. Carstens,2008-10-07 Falling into Grace is a study of Andrew Greeley s fiction and the message behind his words revealing many timeless political and theological ideas Professor R W Carstens shares the findings of his deep exploration into Greeley s novels as evidence of a set of ancient values and key political ideas that are needed today more than ever As a great storyteller Greeley s message is significant that grace sustains us unites us comforts us and sometimes overwhelms us but it is also evidence of our freedom Carstens careful examination into the deeper meaning behind the stories demonstrates that Greeley s characters and the world in which they live portray life as acts of faith hope and love and prove that God is alive and well in the hearts of many in the world As Carstens discusses Greeley s imagination and his political and theological concepts he develops his own theories about how these ideas can be applied in today s world by creating freedom limiting authority and building communities where people are united by common goals In the end Carstens study demonstrates that Greeley s fiction shows us a way to go home to the images that appeal to the best in us and therefore tell us what might be
