Vella,2021-03-11 Written in a conversational tone this classroom tested text introduces the fundamentals of linear programming and game theory showing readers how to apply serious mathematics to practical real life questions by modelling linear optimization problems and strategic games The treatment of linear programming includes two distinct graphical methods The game theory chapters include a novel proof of the minimax theorem for 2x2 zero sum games In addition to zero sum games the text presents variable sum games ordinal games and n player games as the natural result of relaxing or modifying the assumptions of zero sum games All concepts and techniques are derived from motivating examples building in complexity which encourages students to think creatively and leads them to understand how the mathematics is applied With no prerequisite besides high school algebra the text will be useful to motivated high school students and undergraduates studying business economics mathematics and the social sciences **In**

Search of Planet Vulcan Richard P. Baum, William Sheehan, 2013-11-09 Final showdown in the unlikeliest of places America's Wild West Like gunslingers at high noon determined astronomers of the opposing camps brave Indians and the elements in their attempt to prove once and for all whether the planet exists They congregate with some of the most illustrious names of their time for the final test a grand eclipse of the sun

Child of the Wilderness Alan Swope, 2013-12-03 After moving to Billings Montana things are finally looking up for the Shannon family Frank Eileen and their two children nine year old Jimmy Lee and seven year old Jodie But when Jimmy is unjustly accused of stealing a gold medallion from his fathers workplace he runs away to the mountain wilderness After being mistreated by his parents for years Jimmy feels this is the best option for him Mr Shannon organizes a search party to look for Jimmy After two weeks of looking the sheriff asks a local Indian tribe for its help The two men assigned to the task find Jimmys tracks and they follow them for days At the end of the trail they discover a large pool of blood where a fight has taken place All signs indicate Jimmy was attacked by a wild animal but no remains are found Meanwhile with Bear a wolf pup Jimmy struggles to survive on what he knows encountering an array of challenging situations foraging for food fighting off wild animals braving the ever changing weather conditions and finding makeshift shelter Like the mountain men in the 1800s Jimmy survives by relying on his wits and wonders every day whether he will live or die
