second part Smith focuses on contemporary poets Richard Hugo Stephen Dunn Stephen Dobyns and Larry Levis among others In the final chapters he examines how he came to be a poet and reflects on the nature and practice of poetry Smith describes himself as a poet born and raised in the South but never entirely comfortable with the neighborhood or many of the public assumptions about southernness By describing why southern poetry is important to him he reveals why poetry matters to all of us as he asserts the moral weight of regional art My success if it occurs will be to send readers to the books of the poets where the world as they knew it waits and is full of the delights of the unglimped and known

Poems Seán Ó Ríordáin, 2019-02-12 The first bilingual volume of poems by leading Irish twentieth century poet Seán Ó Ríordáin. In the mid twentieth century a new generation of poets writing in Irish emerged led by the young Seán Ó Ríordáin among others. Ó Ríordáin's work has stood the test of time well and he continues to engage today's Irish readers and writers. This well rounded selection of poems brings most of Ó Ríordáin's works to English language readers for the first time. The poems appear in their original Irish alongside English translations by some of Ireland's leading poets. Also included for the first time in English is Ó Ríordáin's essay 'What Is Poetry' considered an extraordinary touchstone of critical insight for poets and literary commentators. The volume reflects Ó Ríordáin's seven main concerns: poetry and its place in the artist's life, the plural self, the relationship between the individual and society, gender relations, the nature of animals, Ireland, its language and culture, and mortality.

Conversations with Billy Collins John Cusatis, 2022-07-27 Billy Collins puts the fun back in profundity says poet Alice Fulton. Known for what he has called hospitable poems which deftly blend wit and erudition, Collins since 1991 is a poet of nearly unprecedented popularity. His work is also critically esteemed and well represented in *The Norton Anthology of American Literature*. An English professor for five decades, Collins was fifty-seven when his poetry began gathering considerable international attention. *Conversations with Billy Collins* chronicles the poet's career beginning with his 1998 interview with Terry Gross on *Fresh Air* which exponentially expanded his readership three years prior to his being named United States Poet Laureate. Other interviewers range from George Plimpton, founder of the *Paris Review*, to Pulitzer Prize winning poet Henry Taylor, to a Presbyterian pastor, a physics professor, and a class of AP English Literature students. Over the course of the twenty-one interviews included in the volume, Collins discusses such topics as discovering his persona, that consistently affable voice that narrates his often wildly imaginative poems, why poetry is so loved by children but often met with anxiety by high school students, and his experience composing a poem to be recited during a joint session of Congress on the first anniversary of 9/11, a tragedy that occurred during his tenure as poet laureate. He also explores his love of jazz, his distaste for gratuitously difficult poetry and autobiographical poems, and his beguiling invention of a mock poetic form, the *paradelle*. Irreverent, incisive, and deeply life-affirming like his twelve volumes of poetry, these interviews gathered for the first time in one volume will edify and entertain readers in the way his sold-out readings have done for the past quarter century. *In My Father's Footsteps* Sebastian Matthews, 2004 A brilliant father, a complicated legacy, and a son's hard-won journey of self-discovery. William Matthews was a much admired award-winning poet and teacher who lived hard and died in 1997 at the age of 55. This clear-eyed, often wryly funny memoir pays homage to a charismatic father as the son struggles to step out from his considerable shadow. **Late to the Search Party** Steven Espada Dawson, 2025-05-06 A raw, crystalline debut poetry collection exploring themes of family, addiction, belonging, and loss, a searching elegy of the fissures that have come to define contemporary American life. The unsettled border between absence and presence haunts this stunning collection in which

poet laureate Steven Espada Dawson contemplates belonging identity family and grief in poems about his own half immigrant Mexican American family his dying mother who raised him his addict brother who has been missing for more than a decade and his absent father Chronicled in four parts shifting restlessly between childhood memories the sudden disappearance of his brother and the inevitable loss of his ailing mother Late to the Search Party explores what it means to be a family of one to be orphaned whether by fate or by circumstance In language that is both grounded and ethereal Dawson tallies the losses and looks at what remains the frustration and anger the bewilderment and sadness and the affection and humor that makes itself felt in spite of everything A vivid and thoughtful meditation on love and loss Late to the Search Party is an ode to the families that inspire and confound us all Realms of Literacy David B.
