Search For Peace:

The Peace I Know Udochukwu Vincent Ogbuji, 2013-02 There is an ancient proverb that instructs Physician heal thyself It helps to keep this saying in mind as we seek to bring peace to others That is because our collective peace of mind makes for a beautiful life family and society and no one gives what he or she has not As a priest my endeavor to bring inner healing and peace to many comes with challenges among which includes maintaining my own personal tranquility Urged by my friends and wish to make a difference I decided to write this book after my car accident and resulting paralysis I hope that reading this book will inspire you to continue searching for peace and what makes life worth living Peace Be Upon Islam

Previously unpublished This is a collection of Krishnamurti's speeches and informal talks where he discusses war politics and global tensions It's especially vital in these times where people are overwhelmed by bad news and discord on all sides On its 40th anniversary Krishnamurti was invited to speak to the United Nations He was then 90 years old and they used the opportunity to give him a peace medal The editors at the Krishnamurti Foundation of America were then requested to add more content from various recorded talks to create a book to be distributed by the World Future Society The book was given out for free at their convention in Washington DC in 1992 but other than that it has never been published The location of the talks transcribed ranges from Brussels to Mumbai and from San Diego to Colombo We are accustomed to Krishnamurti giving guidance on meditation on inner states and qualities of the mind but not so much on the world on how we might live and on how to act in a world torn by conflict and by perceived decline and degradation What can we do How should we act These extracts from talks speeches and other books will help us feel better when we feel overwhelmed and encourage us to do what is within our power to make things better Audiences are desperate for some constructive good news in these

confusing and troubling times there are no simple answers and Krishnamurti would never offer these anyway but this is like sitting round the fire with a trusted elder **You Cannot Find Peace Until You Find All The Pieces** Marie
