The Highest of All Mountains Samuel K. Sarpiya,2021-03-18 This book is for people who believe that the gospel is a message of peace and this gospel of peace is relevant for our time Peacemaking is a core part of our Christian

discipleship just as we learn how to pray just as we learn how to love our neighbors just as we learn how to feed the hungry  
 We can also learn how to be peacemakers Sarpiya believes that peacemaking is central to the Christian faith and practice  
 This book will serve as a guide that will offer a scriptural guide with practical stories and applications Readers will be  
 challenged by Scripture to take the call to peacemaking into their communities The fact that numerous peace treaties have  
 collapsed serves to show how difficult it is to transcend cycles of violence and foster a sustained durable peace The one place  
 that one could look to for answers about how to move toward peace is within faith communities and sometimes not just one  
 faith acting alone but working alongside other faiths in concert with other faiths taking an interreligious approach The  
 Highest of All Mountains shows how Sarpiya's Christian peacemaking backed by the interreligious approach brings the  
 monotheistic faiths together as they all agreed on one denominator to their faith's origin Abraham **Identity Tug of War**  
 Paul W. Lucas, 2025-07-10 What defines your church What would your church answer to the question who are we Answers  
 would likely include a wide variety of sources from tradition theological distinctives visions origin stories and more Church  
 identity exists across various groups within a particular church and these identities will shift over time Church leadership  
 may define a church's identity in a way that may or may not match the congregational identity This book looks at exploring  
 this complex issue using the tools of social psychology alongside practical theology in developing tools for church leadership  
 to operate in awareness of the multifaceted identity of the church This was explored through narrative inquiry into several  
 churches which helped to explore the efficacy of these tools in the work of church leadership's understanding of  
 congregational identity Small Group Strategies Laurie Polich, Charley Scandlyn, 2011-05-03 Meet students where they are
