McKenzie,2010-02-01 In this lively and accessible book Alyce McKenzie explores how fiction writers approach the task of writing novels how they develop their ideas where they find their inspiration and how they turn the spark of a creative notion into words on paper that will captivate the masses McKenzie s study shows how preachers can use the same techniques to enhance their own creativity and to turn their ideas into powerful well crafted sermons Novel Preaching offers a wealth of advice from successful fiction writers including Isabelle Allende Frederick Buechner Julia Cameron Annie Dillard Natalie Goldberg Stephen King Toni Morrison Joyce Carol Oates and Melanie Rae Thorn and also includes a number of sample sermons from McKenzie herself A Dictionary of the English Language Samuel Johnson,1882 *The sermon Bible [extr. from sermons on the Bible by various authors* ,1890 Comparative Characterization in the Sermon on the Mount Arren Bennet Lawrence,2017-03-24 The Sermon on the Mount contains many comparisons In this book the functions of these comparisons are studied by the methodology called comparative characterization Characterization is the way a character is characterized in a narrative Comparative characterization is the characterization of a character using comparisons In comparative characterization another character is used as a foil to bring out a characteristic trait of a concerned character Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives To characterize the ideal disciple Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization In addition the teleological purpose of the comparisons which is to play as foil to the characterization of the ideal disciple is

identified and highlighted Thus this study identifies Jesus characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount
