New Feminist Christianity Mary E. Hunt, Diann L. Neu, 2012-01-01 Powerful insights from ministers theologians activists leaders artists and liturgists who are shaping the future Christianity has been a source of the oppression of women as well as a resource for unleashing women's full humanity Feminist analysis and practice have recognized this Feminist Christianity is reshaping religious institutions and religious life in more holistic inclusive and justice focused ways from the Introduction Feminism has brought many changes to Christian religious practice From inclusive language and imagery about the Divine to an increase in the number of women ministers Christian worship will never be the same Yet even now there is a lack of substantive structural change in many churches and complacency within denominations The contributors to this book are the thought leaders who are shaping and being shaped by the emerging directions of feminist Christianity They speak from across the denominational spectrum and from the many diverse groups that make up the Christian community as it finds its place in a religiously pluralistic world Taken together their voices offer a starting point for building new models of religious life and worship Topics covered include feminist Theological Visions Scriptural Insights Ethical Agendas Liturgical and Artistic Frontiers Ministerial Challenges **Changing Church** Jann Aldredge-Clanton, 2011-11-01 Through the fascinating stories of pioneering ministers this book reveals a unique picture of progressive changes occurring in the Christian tradition Meeting challenges and overcoming obstacles these twelve diverse ministers are changing the church as they take prophetic stands on gender race interfaith cooperation ecology sexual orientation economic opportunity and other social justice issues Believing in the power of sacred symbolism to shape social reality and to provide a foundation for justice and freedom for all people these ministers lead worship with inclusive language and imagery for humanity and divinity They include multicultural female and male images of the Divine Their stories affirm the connection between this expansive theology and an ethic of justice and equality in human relationships In working from within to change the church these ministers have risked censure by denominational authorities loss of opportunities for promotion to larger congregations or to prestigious denominational positions and even loss of their jobs They have found creative ways to balance advocating for change and working to support the church using their positions as ordained clergy to bring liberating change to the church and the wider culture **The Feminine: The Complete Series** Nikki Crescent, Sid's mother just dragged him across the country to a tiny town in the middle of nowhere called Bear Lake It's possibly the most boring place on the planet until it's suddenly anything but boring A failed suicide attempt has left Randy in the hospital having strange vivid hallucinations of

some divine female character The being starts to feed him information which he feels compelled to turn into a book a bible which he calls The Divine Feminine Eric has been keeping a secret from everyone in town particularly from his father But one day he s caught dressed as a girl deep in the wood by the class weirdo Randy He thinks his life is over but Randy is strangely supportive more than supportive downright encouraging because according to Randy Eric possesses the divine Eric thinks Randy has lost his marbles until he starts to experience supernatural occurrences that can only be explained by the cryptic verses in Randy s Divine Feminine bible This book contains feminization sissification mtf m2f transformation transgender trans girly boy effeminate genderswap gender swap sissy sissies t girl transition steamy erotica crossdressing crossdresser transsexual emasculation **She Lives!** Rev. Jann Aldredge-Clanton, PhD,2014-09-29 Meet the ministers and laypeople driving foundational Christian theological change and restoring awareness of the sacred value of women and girls The Bible teaches that we are made in the image and likeness of God therefore I must believe that there is a male and female expression of God Claim your divinity and walk in it every day because you are fearfully and wonderfully made Rev Dr Susan Newman Claiming Our Divinity In a world filled with injustice and violence we long for a new sacred symbolism to inspire transformation Our yearning includes a widespread hunger for visions of the Female Divine in church life and worship to restore gender balance and finally achieve just equal and inclusive faith communities This collection of engrossing narratives of women and men trying to change the institutional church and society illuminates how reclaiming multicultural female images of God extends beyond the sanctuary and into the community Whether you re searching for your own place in the church or you want to explore this growing movement these fascinating pioneers invite you to join the adventure of creating rituals that include Her affirming the sacred value of all people and all creation Spirituality in Season Ross Thompson,2008-12-04 We are used to making Lent a special time for renewal but much less has been written on the other seasons of the year This resource explores the traditions that have shaped each season the lectionary readings and the liturgies observed across the ecumenical spectrum *God Beyond Gender* Gail Ramshaw,1995 The debate about God language has two opposing extremes One side maintains that biblical language and masculine pronouns must be retained The other argues that female imagery for God is preferable Now Gail Ramshaw presents a third position urging the inclusion of many images for God the correction of others and the total avoidance of any pronouns **Mystery Manifest** Gail Ramshaw,2025-02-04 Renowned liturgist and scholar Gail Ramshaw mines the treasures of the Bible patristic sermons theological treatises mystical reveries liturgical texts hymns and poetry to craft a richly textured collection and framework for thinking about the language Christians use to address and describe the triune God More than a compilation yet more practical than a purely theological treatise Mystery Manifest is a volume that liturgists ministers and theologians will return to again and again seeking wisdom and insight into the figures of speech humans have developed to express the ineffable With astute analysis and an eye for the creativity of our language over time Ramshaw grounds readers in the realm of
