Shakespeare Sex And The Print Revolution:

Shakespeare, Sex and the Print Revolution Gordon Williams, 1996-01-01 This book investigates how the sexual element in Shakespeare's works is complicated and compromised by the impact of print. Whether the issue is one of censorship and evasion or sexual redefinition, the fact that Shakespeare wrote in the first century of popular print is crucial. Out of the newly accessible classical canon he creates a reconstituted idea of the sexual temptress and out of the Counter Reformation propaganda he fashions his own complex thinking about the prostitute. Shakespeare's theatrical scripts meeting ground from the spoken and written word contribute powerfully to those socio-sexual debates which had been re-energized by print.

Shakespeare, Sex and the Print Revolution Gordon Williams, 2000-12-01 This book investigates how the sexual element in Shakespeare's works is complicated and compromised by the impact of print. Whether the issue is one of censorship and evasion or sexual redefinition, the fact that Shakespeare wrote in the first century of popular print is crucial. Out of the newly accessible classical canon he creates a reconstituted idea of the sexual temptress and out of the Counter Reformation propaganda he fashions his own complex thinking about the prostitute. Shakespeare's theatrical scripts meeting ground from the spoken and written word contribute powerfully to those socio-sexual debates which had been re-energized by print.

Shakespeare, Sex, and Love Stanley Wells, 2010-04-08 How does Shakespeare's treatment of human sexuality relate to the sexual conventions and language of his times? Pre-eminent Shakespearean critic Stanley Wells draws on historical and anecdotal sources to present an illuminating account of sexual behaviour in Shakespeare's time, particularly in Stratford-upon-Avon and London. He demonstrates what we know or can deduce of the sex lives of Shakespeare and members of his family. He also provides a fascinating account of depictions of sexuality in the poetry of the period and suggests that at the time Shakespeare was writing most of his non-dramatic verse a group of poets catered especially for readers with homoerotic tastes. The second part of *Shakespeare Sex and Love* focuses on the variety of ways in which Shakespeare treats sexuality in his plays and at how he relates sexuality to love. Wells shows that Shakespeare's attitude to sex developed over the course of his writing career and devotes whole chapters to 'The Fun of Sex' to how he raises laughter out of the matter of sex in both the language and the plotting of some of his comedies, portrayals of sexual desire to *Romeo and Juliet*, the play in which Shakespeare focuses most centrally on issues relating to sex, love and the relationship between them to sexual jealousy traced through four major plays *Sexual Experience* and *Whores and Saints*. A final chapter *Just Good Friends* examines Shakespeare's rendering of same-gender relationships.

Sexuality in the Age of Shakespeare W. Reginald Rampone Jr., 2011-05-18 This book examines the important themes of sexuality, gender, love and marriage in stage, literary and film treatments of Shakespeare's plays. The theme of sexuality is often integral to Shakespeare's works and therefore merits a thorough exploration. *Sexuality in the Age of Shakespeare* begins with descriptions of sexuality in ancient Greece and Rome, medieval England and early modern Europe and England, then segues into examinations of the role of sexuality in

Shakespeare's plays and poetry and also in film and stage productions of his plays The author employs various theoretical approaches to establish detailed interpretations of Shakespeare's plays and provides excerpts from several early modern marriage manuals to illustrate the typical gender roles of the time The book concludes with bibliographies that students of Shakespeare will find invaluable for further study *Shakespeare's Erotic Mythology and Ovidian Renaissance Culture* Ms Agnès Lafont, 2013-09-28 Taking cross disciplinary and comparative approaches to the volume's subject this exciting collection of essays offers a reassessment of Shakespeare's erotic and Ovidian mythology within classical and continental aesthetic contexts Through extensive examination of mythological visual and textual material scholars explore the transmission and reinvention of Ovidian eroticism in Shakespeare's plays to show how early modern artists and audiences collectively engaged in redefining ways of thinking pleasure Within the collection's broad ranging investigation of erotic mythology in Renaissance culture each chapter analyses specific instances of textual and pictorial transmission reception and adaptation Through various critical strategies contributors trace Shakespeare's use of erotic material to map out the politics and aesthetics of pleasure unravelling the ways in which mythology informs artistic creation Received acceptations of neo platonic love and the Petrarchan tensions of unattainable love are revisited with a focus on parodic and darker strains of erotic desire such as Priapic and Dionysian energies lustful fantasy and violent eros The dynamics of interacting tales is explored through their structural ability to adapt to the stage Myth in Renaissance culture ultimately emerges not merely as near inexhaustible source material for the Elizabethan and Jacobean arts but as a creative process in and of itself

Shakespeare's 'Whores' K. Stanton, 2015-12-04 Shakespeare's Whores studies each use of the word whore in Shakespeare's canon focusing especially on the positive personal and social effects of female sexuality as represented in several major female characters from the goddess Venus to the queen Cleopatra to the cross dressing Rosalind and many others **Shakespeare's Sonnets** James Schiffer, 2013-04-15 Shakespeare's Sonnets Critical Essays is the essential Sonnets anthology for our time This important collection focuses exclusively on contemporary criticism of the Sonnets reprinting three highly influential essays from the past decade and including sixteen original analyses by leading scholars in the field The contributors diverse approaches range from the new historicism to the new bibliography from formalism to feminism from reception theory to cultural materialism and from biographical criticism to queer theory In addition James Schiffer's introduction offers a comprehensive survey of 400 years of criticism of these fascinating enigmatic poems

Shakespeare and Renaissance Literature before Heterosexuality R. Bach, 2015-12-11 Shakespeare has been misread for centuries as having modern ideas about sex and gender This book shows how in the Restoration and Eighteenth century Shakespeare's plays and other Renaissance texts were adapted to make them conform to these modern ideas Through readings of Shakespearean texts including King Lear Antony and Cleopatra and Othello and other Renaissance drama the book reveals a sexual world before heterosexuality Shakespeare and Renaissance Literature Before Heterosexuality shows

how revisions and criticism of Renaissance drama contributed to the emergence of heterosexuality It also shows how changing ideas about status adultery friendship and race were factors in that emergence

Sex and Sexuality in Stuart Britain Andrea Zuvich,2020-09-19 An expert in Stuart England examines the sexual lives of Britons in the seventeenth and early eighteenth centuries in this frank informative and revealing history Acclaimed Stuart historian Andrea Zuvich explores the sexual mores of Stuart Britain including surprising beliefs bizarre practices and ingenious solutions for infertility impotence sexually transmitted diseases and more Along the way she reveals much about the prevailing attitudes towards male and female sexual behavior Zuvich sheds light not only on the saucy love lives of the Royal Stuarts but also on the dark underbelly of the Stuart era with histories of prostitution sexual violence infanticide and sexual deviance She looks at everything from what was considered sexually attractive to the penalties for adultery incest and fornication Sex and Sexuality in Stuart Britain touches on the fashion food science art medicine magic literature love politics faith and superstition of the day

Poor Women in Shakespeare Fiona McNeill,2007-02-22 An unusual study of the representation of poor and homeless women in Shakespeare s plays

Late Shakespeare, 1608-1613 Andrew J. Power,Rory Loughnane,2013 In Late Shakespeare 1608 1613 leading international Shakespeare scholars provide a contextually informed approach to Shakespeare s last seven plays

Theatre of the Book, 1480-1880 Julie Stone Peters,2003 This volume explores the impact of printing on the European theatre in the period 1480 1880 and shows that the printing press played a major part in the birth of modern theatre

The Masks of Anthony and Cleopatra Marvin Rosenberg,Mary Rosenberg,2006 In his analysis Marvin Rosenberg sets out to steer a path between the extremes of Rome and Egypt and all they stand for and to explore the relentless to and back confrontation of their different sets of values which leads ultimately to destruction

The Commodification of Textual Engagements in the English Renaissance Michael Saenger,2016-12-05 An investigation into the ways in which early modern books were advertised this study argues that those means of advertisement both record and help to shape social interactions between people and books These interactions are not only fascinating in themselves but also demonstrably linked to larger social phenomena such as human commodification the development of English nationalism the increasingly unruly proliferation of literacy and changing conceptions of literature Within the context of recent developments of new textualism and new economic criticism Saenger s approach makes use of formalist strategies of genre recognition as well as new historicist connections between social history and art In this study Saenger illustrates his general account of the formal properties of front matter titles and subtitles prefatory epistles and commendatory verses with engaging readings of specific examples including Feltham s Resolves A Myrrovre for Magistrates and Sidney s Arcadia He explores the several ways in which paratextual authors sought to involve the reader in various active roles vis vis the main text whether those books were prose fiction or translated continental sermons Some particular attention is devoted to printed drama both because dramatic texts present printers with a unique set of challenges and because those texts have often been misread in

recent criticism This book offers a much needed analysis of profound transformations not only to the book trade as an industry but also to the very concepts of reading and authorship in an age which saw the relatively brief coincidence of ancient marketing strategies and systems and the burgeoning market of the mechanically reproduced text From Playhouse to Printing House Douglas A. Brooks, 2006-12-14 This study examines how Shakespeare and his contemporaries made the difficult transition from writing plays for the theatre to publishing them as literary works Tracing the path from playhouse to printing house Douglas Brooks analyses how and why certain popular plays found their way into print while many others failed to do so and looks at the role played by the Renaissance book trade in shaping literary reputations Incorporating many finely observed typographical illustrations this book focuses on plays by Shakespeare Jonson Webster and Beaumont and Fletcher as well as reviewing the complicated publication history of Thomas Heywood's work Brooks uncovers the continually shifting relationship between theatre and publisher and defines the way in which the concept of authorship changed His book represents an important contribution to the refiguration of two histories English Renaissance drama and the early modern book

This Mortal Coil Fay Bound Alberti, 2016-04-08 To many people the idea that the body has its own history might sound faintly ridiculous The body and its experiences are usually seen as something that we share with people from the past Like human nature it represents the unchanging in a changing world Bodies just are But the body does have a history The way that it moves feels breathes and engages with the world has been viewed very differently across times and cultures For centuries we were believed to be composed of souls that were part of the body and inseparable from it Now we exist in our heads and our bodies have become the vessels for that uncertain and elusive thing we call our true selves The way we understand the material structure of the body has also changed radically over the centuries From the bones to the skin from the senses to the organs of sexual reproduction every part of the body has an ever changing history dependent on time culture and place This Mortal Coil is an exploration of that history Peeling away our assumptions about the unchanging nature of the human body Fay Bound Alberti takes it apart in order to put it back anew telling the cultural history of our key organs and systems from the inside out from blood to guts brains to sex organs The understanding of the modern body she reveals in the process is far removed from the eternal or timeless object of common assumption In fact she argues its roots go back no further than the sixteenth century at the earliest and it has only truly existed in its current form since the nineteenth century

Shakespeare Quarterly, 2003 **Oral Traditions and Gender in Early Modern Literary Texts** Mary Ellen Lamb, Karen Bamford, 2017-11-28 Proposing a fresh approach to scholarship on the topic this volume explores the cultural meanings especially the gendered meanings of material associated with oral traditions The collection is divided into three sections Part One investigates the evocations of the old nurse as storyteller so prominent in early modern fictions The essays in Part Two investigate women's fashioning of oral traditions to serve their own purposes The third section disturbs the exclusive associations between the feminine and oral traditions to discover implications for

masculinity as well Contributors explore the plays of Shakespeare and writings of Spenser Sidney Wroth and the Cavendishes as well as works by less well known or even unknown authors Framed by an introduction by Mary Ellen Lamb and an afterword by Pamela Allen Brown these essays make several important interventions in scholarship in the field They demonstrate the continuing cultural importance of an oral tradition of tales and ballads even if sometimes circulated in manuscript and printed forms Rather than in its mode of transmission contributors posit that the continuing significance of this oral tradition lies instead in the mode of consumption the immediacy of the interaction of the participants Oral Traditions and Gender in Early Modern Literary Texts confirms the power of oral traditions to shape and also to unsettle concepts of the masculine as well as of the feminine This collection usefully complicates any easy assumptions about associations of oral traditions with gender

Troilus and Cressida William Shakespeare, 2015-10-22 A revised edition of this intriguing and complex play updated to cover recent critical thinking and stage history Troilus and Cressida is a tragedy often labelled a problem play because of its apparent blend of genres and its difficult themes Set in the Trojan Wars it tells a story of doomed love and honour offering a debased view of human nature in war time and a stage peopled by generally unsympathetic characters The revised edition makes an ideal text for study at undergraduate level and above

Theatre Histories Bruce McConachie, Tobin Nellhaus, Carol Fisher Sorgenfrei, Tamara Underiner, 2016-02-26 This thoroughly revised and updated third edition of the innovative and widely acclaimed Theatre Histories An Introduction offers a critical overview of global theatre and drama spanning a broad wealth of world cultures and periods Bringing together a group of scholars from a diverse range of backgrounds to add fresh perspectives on the history of global theatre the book illustrates historiographical theories with case studies demonstrating various methods and interpretive approaches Subtly restructured sections place the chapters within new thematic contexts to offer a clear overview of each period while a revised chapter structure offers accessibility for students and instructors Further new features and key updates to this third edition include A dedicated chapter on historiography New up to date case studies Enhanced and reworked historical cultural and political timelines helping students to place each chapter within the historical context of the section Pronunciation guidance both in the text and as an online audio guide to aid the reader in accessing and internalizing unfamiliar terminology A new and updated companion website with further insights activities and resources to enable students to further their knowledge and understanding of the theatre
