The Names Heard Long Ago Jonathan Wilson, 2019-09-17 The story of the vibrant and revolutionary soccer culture in Hungary that on the eve of World War II redefined the modern game and launched a new era In the early 1950s the Hungarian side was unbeatable winning the Olympic gold and thrashing England in the Match of the Century Their legendary forward Ferenc Pusk s was one of the game s first international superstars But as Jonathan Wilson reveals in *The Names Heard Long Ago* this celebrated era was in fact the final act of the true golden age of Hungarian soccer In Budapest in the 1920s and 1930s a new school of soccer emerged that became one of the most influential in the game s history shaped by brilliant players and coaches who brought mathematical rigor and imagination to the style of play But with the onset of World War II many were forced into exile fleeing anti-Semitism and the rise of fascism Yet their legacy endured Against the

backdrop of economic and political turmoil between the wars and in spite of extraordinary odds Hungary taught the world to play *The Tombstone in Israel's Military Cemetery since 1948* Yossi Katz,2014-06-18 Military cemeteries are one of the most prominent cultural landscapes of Israel Their story reflects largely the main social processes that Israeli society has been undergoing since the War of Independence 1948 until today Until the end of the 1970s the military tombstones and their surroundings were uniform and equal according to rules set by the State However since the 1980s families of the fallen soldiers started to add on the tombstone personal expressions as well as personal objects photographs military artifacts etc Thus the military tombstone and the Israeli military cemetery became one of the expressions of the dramatic transformation from a society which emphasized the importance of the collective to a society which intensifies the significance of the individual The book is based on many archival documents as well as interviews and photographs all of which shed light on one of the most sensitive issues in Israeli society and express its importance as a central component of Israeli identity
