The Wrong Stuff Truman Smith, 2013-02-27 Between April and July 1944 Truman Smith Flew thirty five bombing missions over France and Germany He was only twenty years old Although barely adults Smith and his peers worried about cramming a lifetime s worth of experience into every free night each knowing he probably would not survive the next bombing mission Written with blunt honesty wry humor and insight The Wrong Stuff is Smith s gripping memoir of that time In a new preface the author comments with equal honesty and humor on the impact this book has had on his life *Far from Home* Ashby Bland Crowder, 2008-01-01 Often compared to William Faulkner renowned American writer William Humphrey 1924 1997 sought to shatter myths about the South in such acclaimed novels as *Home from the Hill* *The Roadways* and *Proud Flesh* and in his voluminous short stories critical essays and memoirs This collection of Humphrey s best letters deserves space on the bookshelf alongside these earlier works Beginning in the 1940s when as a true starving artist he wore borrowed clothes and could afford only one meal a day the letters move to his time as a goatherd his stint as a teacher at Bard College and his middle years in Europe They continue as he returns to America and teaches at Washington and Lee MIT Princeton and Smith and decrease in number as his health declines in the late 1980s and early 1990s Humphrey corresponded with some of the central figures in the literary and intellectual life of the twentieth century including writers such as Katherine Anne Porter and Leonard Woolf and the publishers Alfred and Blanche Knopf These letters present a vivid picture of Humphrey as he provides commentary on his contemporaries through personal observations combined with sharp critical judgments Humphrey amuses readers with witty anecdotes and charming tales including a hilarious account of Christmas dinner with Robert Lowell a story about British intellectual Cyril Connolly s near arrest in New York City and a series of enchanting misunderstandings between Humphrey and his French publisher The letters also provide remarkable insights into Humphrey s own works showing him to be a man happiest when he forgot about himself also prone to plunging into despondency The correspondence unforgettably reveals his troubled soul and his life as a quintessential artist a man with the unswerving drive to make a lasting contribution to American literature **The Hard Way Home** Allan Roberts, 2018-10-01 Ever met someone who has actually been to Timbuktu and back on a motor bike Alan Roberts rode a motor bike through Timbuktu and all through Africa Asia and the Middle East over the course of two years Experience first hand the incredible adventures Roberts experienced as he travelled through exotic locations finding love friendship and adventure Riding The Mothership a Honda Africa Twin 750cc motorbike some 102 000 kilometres through 50 countries across four continents he finds maggots growing in his leg he ends up on the floor of a police station in Angola with Malaria From London to Cape

Literacy as a Moral Imperative Rebecca Powell, 1999-09-08 In this important new book on literacy and teaching practices education scholar and former schoolteacher Rebecca Powell argues that the decisions we make about literacy in a pluralistic society are fundamentally moral ones either supporting inequitable power relationships or seeking to transform them Powell explores the underlying ideological assumptions of schooled literacy and examines the ways teaching practices create tensions in the lives of students tensions that often result in alienation and educational failure particularly among those whose cultural knowledge and language tends to be marginalized in our nation's schools While primarily ground in critical theory this volume also draws from multicultural and holistic perspectives in the teaching of written and oral language and

addresses the link between whole language and critical pedagogy. Thus the text is both theoretical and practical. Powell effectively argues that literacy instruction should encourage social responsibility and civic action should enable students and teachers to understand the transformative potential of language and should nurture a culture of compassion and care.
