Longarm On A Witch Hunt:

Longarm on a Witch-hunt Tabor Evans, *Longarm #279: Longarm on a Witch-Hunt* Tabor Evans, 2002-01-29
Longarm is in for a cauldron of trouble with these ladies Lawman Custis Long is in town on the trail of some no good owlhoots An easy enough chase he reckons but after a visit with the town's most infamous lady of the night Longarm realizes there are other things he'd rather be doing than tracking small time crooks But the job turns interesting According to local rancheros the hooligans Longarm's after have been hiding out in a valley haunted by witches women posing by day as the pretty Crawfords And no God fearing man has been known to come out of there alive So if Longarm wants to make it through the valley unscathed he must first play nice with the bewitching Crawfords Old Times' Sake James Reasoner, 2007-11

Encyclopedia of Weird Westerns Paul Green, 2016-03-09 From automatons to zombies many elements of fantasy and science fiction have been cross pollinated with the Western movie genre In its second edition this encyclopedia of the Weird Western includes many new entries covering film television animation novels pulp fiction short stories comic books graphic novels and video and role playing games Categories include Weird Weird Menace Science Fiction Space Steampunk and Romance Westerns *Hunt the Space-Witch!* Robert Silverberg, 2015-07-28 Space opera at its best wild and fast and furious as only Robert Silverberg could write it As a young man Robert Silverberg was a science fiction prodigy turning out top flight stories in the blink of an eye Though written quickly Silverberg's early prose already showed evidence of the literary and imaginative qualities that would make him a giant in the field In *Slaves of the Star* Giants electrician Lloyd Harkins finds himself transported from 1956 into a desolate far future Earth ruled by monstrous aliens And in the gripping title story a spacer named Barsac risks his life and sanity to free a friend from the clutches of an evil cult by joining the cult himself Filled with slam bang action and dazzling speculation these seven novellas pay eloquent homage to the Golden Age of science fiction and anticipate the groundbreaking work that has become Silverberg's legacy **Duality** G. S. Jennsen, 2023-01-05 The explosive conclusion to the epic *Riven Worlds* series Humanity was granted their time to prepare Now that it has come to an end all Miriam Solovy wants is one more day The Rasu civil war engineered by Alex Solovy and Nika Kirumase has provided Concord the time it desperately needed Every weapon every technology every tactic will be brought to bear in a bid to defend thousands of worlds and trillions of people from annihilation The enemy that emerges from the civil war victorious is like nothing Concord has ever faced A boundless legion of Rasu now interlinked and of one collective mind due to their integration of kyoseil prepares to sweep across Concord space in a devastating tidal wave But there might be a way to stop them It will mean two individuals must take upon themselves the burden of committing genocide so the innocent beings they protect need never know how such an act comes with a price There has never been a timeline like this one before A war has been waged for endless aeons Our greatest champions fight it again and again across millions of years in a tireless endeavor to save not merely innumerable lives but existence itself With Mesme's secret revealed the enormity of the stakes is clear to

strive tirelessly to improve upon and create new weapons that can kill Rasu even as Nika Kirumase draws tantalizingly close to unlocking the true power of kyoseil Yet for every strategic move Commandant Miriam Solovy makes to thwart the Rasu s advances the enemy swiftly counters in a deadly battle of escalation We don t need to fear death for it cannot hold us Regenesi long the exclusive domain of Anadens begins to take root in human society But the possibility of immortality for all does not sit well with those who would rather keep it for themselves When a conspiracy to sabotage the future of regenesi is uncovered an unlikely advocate decides to risk his one and only life to bring the perpetrators to justice And amidst all the conflict the enigmatic Katasketousya have been playing a secret long game with the fate of the universe Now events race toward a rendezvous with their unfolding machinations and the resulting collision is going to change everything

Triumph in Exile Victoria D Schmidt,2002 Victoria Schmidt vividly tells the story of Madame De Sta l who motivated by uncompromising principles and fortified with the unlimited resources of her wealthy father Jacques Necker the minister of finance to Louis XVI helped to bring down an unbridled tyrant and altered the course of history in France and the rest of the modern world Although Germaine de Sta l was among the first to recognize Napoleon as a champion of democracy and helped him rise to power she was also one of the first to acknowledge his uncontrolled desire for military and political dominance The emperor soon exiled her from her beloved France and banned her best selling books and treatises He forbade her to write and limited her movements to a small area around her country estate in Coppet Switzerland It was after a daring escape from Coppet across the continent to Russia and Sweden that she took part in formulating the military alliance between the Swedish Crown Prince and Czar Alexander that brought about Napoleon s downfall Unlocking the Idioms:

An LDS Perspective on Understanding Scriptural Idioms George M. Peacock,2023-02-02 Idioms and idiomatic language are as real to the messages of holy scripture as are prophecies and parables Idioms are words and phrases that express more than the actual words themselves They paint mental or emotional images that bring events or feelings to the present quickly and with intensity Like a cultural shorthand they can describe things without using lengthy explanations On the other hand idioms can be meaningless and misleading if the reader has no experience with the culture and language from which the idioms originated Mistranslation and cultural differences both contribute to the misinterpretation of many scriptural idioms Phrases such as gird up your loins and salt of the earth will lose their intended effect if they are taken only literally In these pages George M Peacock explains exactly what idioms are how to identify them and how learning their meaning can add to

your understanding of the scriptures and their messages Unlocking the Idioms will help bring you insight and knowledge as you feast upon the words of the Lord **Taking Exception to the Law** Donald Beecher, Travis DeCook, Andrew Wallace, Grant Williams,
