my ticket into a better life After being rejected to do my post grad studies in the U S I was forced to take an ordinary desk job to earn a living Meanwhile I hoped that finding true love would be a worthy compromise Sadly I looked for it in all the wrong guys Luckily I landed my dream job as a journalist at the largest local news station back home Soon after taking it however my old dream resurfaced and I was finally given the chance to migrate to the United States By then I had to choose between giving up the life I d always imagined overseas and accepting what seemed to be my new fate in Trinidad But what happened next completely overturned my life After surviving a horrific car accident on my 25th birthday I woke up to an epiphany that my fairytale was much more than just becoming a big city girl Taking a leap of faith to go after my dreams developing a relationship with God and discovering my true purpose in life became my real happily ever after This book also gives an entirely new outlook to the traditional concept of what we know a fairytale to be Unlike others each chapter unravels a whole new definition of the term fairytale and intends to convince the minds of those who never believed in fairytales at all When you read this book you will discover that your fairytales are your dreams your purpose your truth your vision your deepest thoughts your inner magic your baby your goals your prophetic call your diamond your destiny and your recipe for success just to name a few X
