Looking for Dilmun

Bibby, Geoffrey

Note: This is no the actual book cover

Looking For Dilmun

David Abulafia

Looking For Dilmun:

Looking for Dilmun Geoffrey Bibby, 1970 Dilmun was a land which stretched beyond the confines of Bahrain as far north as Kuwait and as far south as Saudi Arabia The quest for the real Dilmun began when the author revisited Bahrain in order to explore the thousands of undated burial mounds scattered across the country A seasons digging established the existence of a major civilisation dating from around 2300 BC First published in 1969 this fascinating book of discovery tells the story of archaeological detective work with style and humour It is re issued here for a new generation of readers and introduced by Carl Phillips one of the leading archaeologists of the region **Looking for Dilmun** Brenda Jackson, Penguin Books

Staff, Ronald L McDonald, 1974-10-15 **Looking for Dilmun** Thomas Geoffrey Bibby (archeoloog), 1969 **The Boundless Sea** David Abulafia, 2019 A sweeping history of the world through its oceans and seas and their interconnections

In Search of the Cradle of Civilization Georg Feuerstein, Subhash Kak, David Frawley, 2005-01-01 The book shows that the ancient Indians were no primitives but possessed a high spiritual culture which not only influenced the evolution of the Western world in decisive ways but which still has much to teach us today India s archaic spirituality is codified in the rich symbols metaphors and myths of the magnificent Rig Veda which is shown to be much older than has been widely assumed by scholars The present book also unravels the astonishing mathematical and astronomical code hidden in the Vedic hymns Anyone interested in ancient cultural history India archaeo astronomy or spirituality will find this well researched and cross cultural work spellbinding and enriching **The Archaeology of the Arabian Gulf** Michael Rice, 2002-03-11 The

archaeological remains in the Gulf area are astounding and still relatively unexplored Michael Rice has produced the first up to date book which encompasses all the recent work in the area He shows that the Gulf has been a major channel of commerce for millenia and that its ancient culture was rich and complex to be counted with its great contemporaries in Sumer Egypt and south west Persia **Cultural Heritage in the Arabian Peninsula** Karen Exell, Trinidad Rico, 2016-04-22

Heritage projects in the Arabian Peninsula are developing rapidly Museums and heritage sites are symbols of shifting national identities and a way of placing the Arabian Peninsula states on the international map Global i e Western heritage standards and practices have been utilised for the rapid injection of heritage expertise in museum development and site management and for international recognition The use of Western heritage models in the Arabian Peninsula inspires two key areas for research which this book examines the obscuring of indigenous concepts and practices of heritage and expressions of cultural identity and the tensions between local community concepts of heritage and identity and the new national identities being constructed through museums and heritage sites at a state level **The Sumerian World** Harriet

Crawford, 2013-08-29 The Sumerian World explores the archaeology history and art of southern Mesopotamia and its relationships with its neighbours from c 3 000 2 000BC Including material hitherto unpublished from recent excavations the articles are organised thematically using evidence from archaeology texts and the natural sciences This broad treatment will

also make the volume of interest to students looking for comparative data in allied subjects such as ancient literature and early religions Providing an authoritative comprehensive and up to date overview of the Sumerian period written by some of the best qualified scholars in the field The Sumerian World will satisfy students researchers academics and the knowledgeable layperson wishing to understand the world of southern Mesopotamia in the third millennium

Kuwait: Prospect and Reality H.V.F. Winstone,Zahra Freeth,2017-08-18 For many the story of this small Arabian state begins and ends with the wealth that has accrued from its vast oil deposits But the real fascination of Kuwait lies in its geological and archaeological history in its long struggle for survival among powerful neighbours in its ambitious plans for industrial and economic development This book first published in 1972 shows the effects of the new material wealth opened up by oil in relation to the country s remote past and its Islamic background
