Loss Of Innocence Mystiques 24:

Dark Suspicion Gayet, Caroline,1980 *Innocence and Loss* Cristina Alsina Rísquez,Cynthia Stretch,2014-06-02 A fierce national outcry for righteously waging war has long dominated American culture From at least the wildly popular Spanish American War and the US military invasion of the Philippines that infuriated Mark Twain right up to the current Global War on Terrorism this is a deadly dark current coursing throughout American history Meanwhile dissenting analyses of the patriotic gore have until recently been paid scant attention in the popular media Delving into this history this probing collection of essays explores ways in which the compulsive redeployment of innocence in the launching cheering and retelling of America s wars endlessly defers a national reckoning as the editors astutely state in their introduction The works in this collection reflect an effort to add more voices where they are desperately needed Captive in Paradise Magali,1980

Death of a Stranger Noël, Denise,1980 Henri Michaux Margaret Rigaud-Drayton,2005-07-28 Henri Michaux is widely recognized as a major twentieth century French poet and painter Although his fascination with universal languages has attracted the attention of several of his critics it has up until now been treated as a marginal concern Henri Michaux Poetry Painting and the Universal Sign argues that his ideas on what might constitute a universal language are central to an understanding of his works It suggests that both his ambivalent articulation of his relationship to the languages and literary traditions of his native Belgium and adoptive France and his efforts simultaneously to exacerbate and subvert the differences between words and images are rooted in Enlightenment theories of the relationship of the self to nature and its language Rigaud Drayton s study makes a substantial and original contribution to the study of this complex artist exploring the intricate relationships between word and image in his poetry and paintings and his quest for a single unifying language or sign **Rock Star's Girl** Kate William,Francine Pascal,1980 Andrea Slade hides the fact that her father Jamie is a rock star so people will like her for who she is Of course Lila and Jessica will stop at nothing to find out her connection to Jamie

Legacy of Danger André, Alix,1980 *The Deadly Pawn* Magali,1980 *Maze of the Past* Magali,1980 *Stranger at Midnight* Coriola,1980 **Storm Over Ibiza** Roleine, Roberta,1980 **Mainstream Maverick** Holly Chard,2020-09-01 The first scholarly book on John Hughes examines Hollywood s complex relationship with genre the role of the auteur in commercial cinema and the legacy of favorites such as Sixteen Candles and Ferris Bueller s Day Off **Deadly Inheritance** André, Alix,1980 Linda Goodman's Star Signs Linda Goodman,2000-01-31 A guide to help you discover all the powers you possess How you can achieve financial freedom and financial security which holistic healing methods really work the hidden meanings that can be found in numbers words and deja vu how music color and crystals can be used to improve your body and your mind **When Johnny and Jane Come Marching Home** Paula J. Caplan,2011-03-04 A psychologist s impassioned call to stop labeling our traumatized war veterans as mentally ill and a guide to how every citizen can help returning vets Traumatized veterans returning from our wars in Iraq and Afghanistan are often diagnosed as suffering from a

psychological disorder and prescribed a regimen of psychotherapy and psychiatric drugs But why asks psychologist Paula J Caplan in this impassioned book is it a mental illness to be devastated by war What is a mentally healthy response to death destruction and moral horror In *When Johnny and Jane Come Marching Home* Caplan argues that the standard treatment of therapy and drugs is often actually harmful It adds to veterans burdens by making them believe wrongly that they should have gotten over it it isolates them behind the closed doors of the therapist s office and it makes them rely on often harmful drugs The numbers of traumatized veterans from past and present wars who continue to suffer demonstrate the ineffectiveness of this approach Sending anguished veterans off to talk to therapists writes Caplan conveys the message that the rest of us don t want to listen or that we don t feel qualified to listen As a result the truth about war is kept under wraps Most of us remain ignorant about what war is really like and continue to allow our governments to go to war without much protest Caplan proposes an alternative that we welcome veterans back into our communities and listen to their stories one on one She provides guidelines for conducting these conversations This would begin a long overdue national discussion about the realities of war and it would start the healing process for our returning veterans *Treacherous Mission* Noël,

Denise,1980 **Focus on the Media** John Northrop, Jr. ,Steve Suitts,Allen Tullos,Candace Waid,Larry Goodwyn,Gloria Blackwell,Sue Thrasher,Leonard Conway,John English,Bruce MacMurdo,David Underhill,Diane Thomas,Steve Cummings,David Doggett,Steve Hoffius, The South has a remarkable record of producing more than its share of talented writers Names like Faulkner O Connor Wolfe Warren Welty readily come to mind Less noticed however is the region s equally distinguished contribution in the field of journalism Among national broadcasters editors and writers who started in the South are Tom Wicker Walter Cronkite David Brinkley Clifton Daniel Willie Morris Robert Sherrill Nelson Benton Charles Kuralt Larry King Marshall Frady Frank McGee Why has the South produced so many creative journalists and why would so many go North We can t be sure But a couple of thoughts come to mind First Southerners do seem to have a certain romance with the written and spoken word There is a relish for sounds unique expressions and the embellished story Reporting like conversation has always demanded more than the exchange of a few facts and many of our brethren have been only too willing to turn their preoccupation with language and penchant for irrelevant detail into successful careers **Legally Speaking** Helle Porsdam,1999 Since the founding of the republic the law has come to make itself felt at every level of American society Indeed as Helle Porsdam argues in a country with no monarchy or hereditary aristocracy and no established church the law has become America s civil religion helping to form a collective national identity According to Porsdam what is distinctive about the role of law in the United States is not simply the prevalence of legal language and practice in everyday life nor the fact that people go to court more often on more matters than do citizens of other countries It is that Americans appeal to the law with a singular faith and hope deeply rooted in the culture For all their complaints about excessive litigiousness greedy lawyers and the shortcomings of the adversarial system when conflicts occur it is to jurists

rather than to politicians or the clergy that Americans turn in their search for solutions To demonstrate how thoroughly the ideal of law permeates American life Porsdam looks at a wide variety of cultural evidence from the novels of Scott Turow and Sara Paretsky to the television show The People s Court In each case she unveils and explores telling links between culture self and society all forged by the law My Fair Ladies Julie Wosk,2015-07-28 The fantasy of a male creator constructing his perfect woman dates back to the Greek myth of Pygmalion and Galatea Yet as technology has advanced over the past century the figure of the lifelike manmade woman has become nearly ubiquitous popping up in everything from Bride of Frankenstein to Weird Science to The Stepford Wives Now Julie Wosk takes us on a fascinating tour through this bevy of artificial women revealing the array of cultural fantasies and fears they embody My Fair Ladies considers how female automatons have been represented as objects of desire in fiction and how living dolls have been manufactured as real world fetish objects But it also examines the many works in which the perfect woman turns out to be artificial a robot or doll and thus becomes a source of uncanny horror Finally Wosk introduces us to a variety of female artists writers and filmmakers from Cindy Sherman to Shelley Jackson to Zoe Kazan who have cleverly crafted their own images of simulated women Anything but dry My Fair Ladies draws upon Wosk s own experiences as a young female Playboy copywriter and as a child of the feminine mystique era to show how images of the artificial woman have loomed large over real women s lives Lavishly illustrated with film stills artwork and vintage advertisements this book offers a fresh look at familiar myths about gender technology and artistic creation **The Video Librarian** ,2005
