Schlegel,2014-06-27 Matt Groening developed together with his friend and colleague David X Cohen the TV Show Futurama set in New York in the year 3000 Groening describes his vision of the future in Futurama as corporate commercial and confusing which is not what he expects it to be and it is not necessarily valuing this world as good or bad Thus the assumption of this study is that Futurama presents a stereotyped science fiction world that deals with themes and problems of our present time This becomes clear when looking at the excessive use of allusions and references to political and historical events as well as to popular and classical culture The creators comment that way on topics that concern us or at least should concern us today The task of this study is to identify these topics and references focusing on America as a political entity and thereby discuss the points of criticism Futurama raises *Bengali Harlem and the Lost Histories of South Asian America* Vivek Bald,2013-01-07 Nineteenth century Muslim peddlers arrived at Ellis Island bags heavy with silks from their villages in Bengal Demand for Oriental goods took these migrants on a curious path from New Jersey s boardwalks to the segregated South Bald s history reveals cross racial affinities below the surface of early twentieth century America

How America Lost Its Secrets Edward Jay Epstein,2017 After details of American government surveillance were published in 2013 Edward Snowden formerly a subcontracted IT analyst for the NSA became the center of an international controversy was he a hero traitor whistleblower spy Was his theft legitimized by the nature of the information he exposed When is it necessary for governmental transparency to give way to subterfuge Edward Jay Epstein examines these and other questions delving into both how our secrets were taken and the man who took them Amazon com **Stealing America's Future** William Steiner,2010-04 Stealing America s Future makes a comparison of today s America to late 19th Century Europe using two rare books The Conventional Lies of our Civilization by Nordau describing Europe s elitist leadership and The Soviets at Work by Lenin outlining the Russian Revolution as it took place Not a part of the discussion of history both provide frightening detail about the nuances of the geopolitics of Europe circa 1900 that relate to today s America Using heartwarming family stories humorous anecdotes incisive criticism and cold factual analysis it describes how progressive liberalism with its attempts at social engineering and excessive permissiveness has brought social and economic disaster to America David Letterman relating to Sarah Palin I fear he sees her as more man than he will ever be and more woman than he will ever get Bill Maher relating to Michelle Obama my only conclusion about Maher is that he is just another angry little bully who is fearful of powerful women Is it time to separate the North American Continent into a federation of smaller component nations better reflecting the economics and ethos of these individual component nations yet having our common defense as the only connection or do we need to get back to the Constitution our founders gave to us Raised in a poor farm family in Pawnee County Nebraska Dr Steiner had the ethics of hard work and family values as his primary guide post to succeed Working his way through college and graduating from the University of Nebraska in 1973 he located his dental practice in an economically impacted area of Omaha Nebraska where he also worked in a public health clinic developing

Media Ownership and Concentration in America Eli Noam,2009-10-19 People have worried for many years about the concentration of private power over the media as evidenced by controversy over Federal Communication Commission rulings on broadcast ownership limits The fear it seems is of a media mogul with a political agenda a new William Randolph Hearst who could help start wars or run for political office using the power of the media In the light of these concerns about freedom of speech Eli Noam provides a comprehensive survey of media concentration in America covering everything from the early media empire of Benjamin Franklin to the modern day cellular phone industry [The Lost History of Ancient America](#) Frank Joseph,2016-10-24 The Lost History of Ancient America presents new evidence of transoceanic visitors to America hundreds even thousands of years before Christopher Columbus was born Its 20 eminent contributors are experts in a variety of fields from botany biology and prehistoric engineering to underwater archaeology archaeo astronomy and Bronze Age warfare In ancient times the sea was not an impassable barrier separating our ancestors from the outside world but a highway taking them to every corner of it Never before and nowhere else has so much evidence proving the impact made on America by overseas visitors been assembled You will learn about A chain of stone walls across southern Illinois that has stood for the last two millennia A profusion of plants flourishing throughout the United States and Canada that originated more than 20 centuries ago Underwater ruins recently found off the coast of Oregon Bronze Age oil wells in Pennsylvania And much much more The Lost History of Ancient America ends the debate between cultural diffusionists who have always known that our ancient ancestors did not consider the sea an impassable barrier and cultural isolationists who have been equally certain that humans lacked the know how and courage for global navigation until a little more than 500 years ago

Captain America and the Struggle of the Superhero Robert G. Weiner,2009-06-08 For more than 60 years Captain America was one of Marvel Comics flagship characters representing truth strength liberty and justice The assassination of his alter ego Steve Rogers rocked the comic world leaving numerous questions about his life and death This book discusses topics including the representation of Nazi Germany in Captain America Comics from the 1940s to the 1960s the creation of Captain America in light of the Jewish American experience the relationship between Captain America and UK Marvel s Captain Britain the groundbreaking partnership between Captain America and African American superhero the Falcon and the attempts made to kill the character before his real death **America Accept the Truth, Repent, and Save Our Country** Dr. Derek Lawrence-Harper,2023-04-23 God s timing is not our timing but the bible is clear that judgment will come America will be judged for its misdeeds one day It is the author s hope that people will re read the

bible and encourage people to read this book to know that the author's goal is to first save souls and second save our country. Ideally we need to be in a financial position to help others. To resolve problems in this country we must be honest and accept the truth to move forward. Most Americans including the author need all their income to pay bills and have means to enjoy themselves. The true minority in America is the rich who do not live paycheck to paycheck but have either generational wealth or maximized their talents to become prosperous. Hopefully anyone who became rich did not compromise their morality or abuse, misuse or oppress others for their personal gain. If so, pray that they repent. Our country is in trouble as Compromised Christianity, Atheism, Agnosticism, and Satanic influence is on the rise while Bible Believing Christians are declining, getting older and are dying off. It has been said that those who ignore history repeat history. Dr. Martin Luther King once stated that truth suppressed to earth shall rise again. The author is here to talk about the truth that is rising in our time now.
