More Special Times With God:

Special Times with God David Shibley, 2007-12-17 Readings on various subjects with Bible verses questions for discussion and prayers for use in family devotions **Time with God in Finding Inner Peace** Lalonie Bowen, 2016-08-11 My book is a spiritually teaching book about how to find inner peace by having a relationship with God It teaches about kindness forgiveness love and faith It will uplift and inspire people who are seeking for something more in their lives as they will learn that what they are seeking is God By turning to God in prayer and thankfulness they will finally have the peace in their hearts that they are longing for It teaches about love and how much love God has for us as we are all unconditionally loved by God We are reminded that we are all children of God and how much goodness God wants to bring into our lives if we only will open our hearts to receiving Gods love in our lives by spending time in prayer with HIM every single day It reminds us that we are Gods most precious gifts as HE wants the very best for us and what HE wants in turn is for each of us to spend time talking to HIM honoring and praising our God and thanking HIM for the many blessings we have been given from God

God, Time, and the Incarnation Richard A. Holland Jr., 2012-02-20 The dominant view among Christian theologians and philosophers is that God is timeless that he exists outside of time in an atemporal eternity In God Time and the Incarnation Richard Holland offers a critical evaluation of this traditional view in light of the most central doctrine of Christianity the Incarnation of Christ Holland reviews the history of this controversy highlighting the various theological problems for which atemporal models have been offered as a solution He asserts the central importance of the Incarnation for Christian theology and evaluates several atemporal models in light of this doctrine Finally he suggests that the traditional atemporal view is not compatible with a robust and orthodox view of the Incarnation This book rejects the traditional atemporal view of God s relationship to time and argues based on the Incarnation that God experiences temporal sequence in his existence **A Little God Time for Women Morning & Evening Devotional** BroadStreet Publishing Group

LLC, 2020-04-07 A little God time can make a big difference in your day Imagine the strength and encouragement you will find when you spend moments with God as you wake up and right before you fall asleep Rest in the presence of God each day and be refreshed as you find the hope peace and joy that is abundant there SPECIAL FEATURES Exquisite faux leather cover heat debossed and stamped with foil Beautifully designed full color interior on high quality paper Ribbon marker **A Unique Time of God** Karl Barth, 2016-12-30 World War I changed Karl Barth s theology forever In this book William Klempa presents for the first time in English thirteen sermons that offer Barth s unique view and commentary on the Great War Barth saw the war as a unique time of God believing it to represent God s judgment on militarism The sermons reveal a deep strain of theological wrestling with the war s meaning as Barth comes to see the conflict as the logical outcome of all human attempts to create God in our own image As it demonstrates a decisive shift in Barth s early theology this volume is essential for anyone who wishes to understand the twentieth century s greatest theologian Abraham Charles R.

Swindoll,2014-07-16 When we rewind history back to Abraham s era we encounter people who concocted false superstitions to explain the unexplainable Powerful kings claimed to be gods building massive pyramids to achieve immortality Out of this mass of misunderstandings one man emerged The man we know today as Abraham not only claimed that one true Creator existed but also staked his entire life on this belief Why thousands of years later are we still discussing the faith of this desert nomad One of America s most popular Bible teachers Pastor Chuck Swindoll answers that question and many more in this compelling and insightful biography that will inspire your own faith **A Cordial for a Fainting Soul** Rev. Collins,1801 A Little God Time for Couples BroadStreet Publishing Group LLC,2017-01-01 One Hundred and Ninety Sermons on the Hundred and Nineteenth Psalm Thomas Manton,1845 God's Time For Us James J. Cassidy,2016-09-28

The relationship between eternity and time is a common subject for theologians and philosophers What difference does it make for this discussion that God became man and inhabited time in Jesus Christ In God s Time for Us James J Cassidy examines the theology of Karl Barth to show that God is our Father who does not neglect us for lack of time he is the God who has time to be with us God also quite literally has time in his own being by virtue of the incarnation Cassidy shows that Barth seeks a rapprochement between eternity and time which is overcome by Jesus Christ There is today a resurgence in interest in the theology of Barth especially among evangelicals Yet Barth is often read without discernment and discussed in churches without full understanding Cassidy illuminates his thought so evangelicals can make a better more well informed appraisal of the man and his theology *Quiet Times with God Devotional* Joyce Meyer,2020-10-13 Start your day with peaceful meditations soulful inspirations and encouraging Bible verses in this 365 day devotional from bestselling author Joyce Meyer and grow spiritually as you spend time with God Life is busy and often uncertain but you can live in the full peace of God with this easy to understand devotional designed to encourage you each day of the year This includes a daily Bible verse followed by a devotional reading and power thought to meditate upon With the constant demands and pressures it can be hard to regularly take time to unplug and simply be with God But Joyce s practical teaching format in Quiet Times with God will encourage you to discipline yourself so that you can receive the fullness of God s healing revitalizing peace

in our lives for him Israel and the Covenants in New Testament Times Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that **Certain Sermons Or Homilies Appointed to be Read in Churches in the Time of the**
