My Favorite Happy Endings Honey Bears:

My Favorite Happy Endings Jane Carruth, 1986 **Fairy Tales in Popular Culture** Martin Hallett, Barbara Karasek, 2014-08-05 It wasn't so long ago that the fairy tale was comfortably settled as an established and respectable part of children's literature. Since the fairy tale has always been a mirror of its times, however, we should not be surprised that in the latter part of the twentieth century it turned dark and ambiguous; its categorical distinction between good and evil was increasingly at odds with the times. Yet whatever changes the fairy tale may have undergone, its cultural popularity has never been greater. **Fairy Tales in Popular Culture** sets out to show how the tale has been adapted to meet the needs of the contemporary world: how writers, film makers, artists, and other communicators have found in its universality an ideal vehicle for speaking to the here and now; and how social media have created a participatory culture that has reinvented the fairy tale. A selection of recent retellings show how the tale is being recalibrated for the contemporary world, first through the word and then through the image. In addition to the introductions that precede each section, the anthology provides a selection of critical pieces that offer lively insight into various aspects of the fairy tale as popular culture.

Happy Is the New Healthy Dave Romanelli, 2015-01-06 Our lives have become so busy that we are living in a constant state of go go go. What did you do last Thursday? What about two weeks ago? Monday? Our days are so consumed with emails, telephone calls, errands, status updates, texts, and tweets that entire days go by without one single moment of joy. And we wonder why we are stressed out, anxiety ridden, tired, walking zombies. Lifestyle and wellness guru Yeah Dave offers a fresh take on what it means to be well and reminds the reader that happiness leads to health, not health to happiness. This book shares simple, immediate ways to feel, celebrate life, and feel better. This isn't about green juices and crazy diet regimens. To get you started, Dave asks the reader to take one minute out of our day, 11pm, for example, to stop and RELAX. Dave's mantra: The one who celebrates the small victories and simple pleasures wins the game of life over and over again.

The vignettes are funny, candid, and powerful. Lynn Lothman is a retired educator who lives in Durham, North Carolina, with her husband Kurt and two Cavalier King Charles Spaniels named Henry and Georgie.
