Roots to Risen Dr. Cathy Sauls, 2022-03-16 In this highly transparent and factual memoir the author shows her audience what childhood oppression apathy and silence look like to a little girl who grows up to defy the odds after years of blundering She doesn't blame her parents who were supposed to prepare her for adulthood because her love for them outweighs any faults While sharing her struggles failures and mistakes the author discusses how blunders can be rectified and avoided This nonfictional memoir reminds every parent that the children they bring into the world need attention encouragement training guidance patience a voice and unconditional love It is a fact that we are born into families that we did not choose therefore we will conform to our caretakers culture customs and beliefs These are our roots But when we reach the age of accountability we should draw from what our caretakers and teachers have taught us about life If there is no preparation we won't succeed As children move into adulthood they must learn from their failures and successes and allow their experiences and training to lead them in making good choices If parents do not prepare them for this critical step the transition into

adulthood will not be easily attained or realized by the child Failure then causes some children to become wayward confused blunderers and resigned to success Note it is a child s responsibility to grasp what is being taught but if there is no teaching the child falls short As I was writing my memoir I thought about something that Brene Brown said One day you will tell your story of how you overcame what you went through and it will be someone else s survival guide I hope that my story will be your lifeline or perhaps your adult child s guide to parenting **The Unexpected Journey** Camille Hart,2021-05-13 If you re going through any traumatic life changing experience mental or physical illness joblessness homelessness incarceration stress from a family member incarcerated loss of a loved one depression caused by anything from systemic racism sexism ageism to uncertainty about tomorrow believe you can overcome it and know you re not alone Trust you have what it takes to press forward Remember the hard times you overcame before and yet somehow you re still here Believe if you did it before you can do it again Take a journey with me as I discover strategies including changing past behaviors developing faith and self care tips to get through even in the most challenging times with a peace that transcends understanding **A**

Letters to Kirabelle Becky Clifford, 2022-08-05. Letters to Kirabelle: My journey through cancer to motherhood beyond. By Becky Clifford. Becky Clifford is authentic, raw, and real. Just what this world needs more of. Her personal story of cancer, motherhood, and more will keep you crying, laughing, and relating to her every step of the way. This is a must-read written in a voice that feels like a conversation with an old friend. Joy Gale. Becky wanted a daughter, and while nothing in her future was certain, she knew she was meant to be a mom. This is the story of her journey through cancer into motherhood and all the adventures that followed: moments of living authentically, loving openly, and letting go of fear. Through her personal journey of healing, Becky speaks to those who have struggled to feel connected to the power of love and to their own inner voice, encouraging her readers to live each day fully.

My Journey, His Purpose Taneshia Brown, 2015-11-05. I believe in the power of purpose. Join me as I walk through both my traumatic experiences and triumphant victories to reveal that even in our dark places in life, God never stops shining his light. From a young child, I was certain of my future, but as lack of faith and bad choices reframed it, God took my unplanned misfortune and painted his masterpiece. Through these experiences, lessons, and blessings, I learned that we only become prisoners when we allow other things and people to change the course that God set for us. My story further reveals that nothing or no one can take from you what God has placed before you; we are only lost along the way. In spite of hopelessness, suicide, abuse, homelessness, and poverty, he said I would survive. God spoke life into me, into my purpose, thus into this book, so that anyone who reads it would be led out of their dark places into his light, therefore breaking free of their prisons and reaching their purpose as well. I am blessed to share with you all what strikes the core of our lives and peels away the layers of our existence to reverse the negative impact of society, self-hatred, lack of faith, and gross ignorance. **Extraordinary**

A Journey Through Life and History Radomysl Twardowski, 2024-11-19 an evocative autobiographical exploration of personal growth resilience and cultural identity a compelling read for those interested in autobiographical tales that blend historical context with personal reflection. Readers Favorite Radomysl Twardowski's moving story of growing up in post war Poland begins with early memories of walks around Krakow with his beloved Grandfather Karol. As it becomes clear to the young Rado that Poland's history is rooted in Christianity the solemn grandeur and religious atmosphere of places like Wawel Cathedral and other churches begin to have a profound impact on him. He would later be drawn to SSPX and Latin Mass a subject of debate in the Catholic Church after the Second Vatican Council. After the rise of Solidarity in 1980 and the declaration of martial law in 1981 Rado leaves Poland for the US where he graduates from medical school and practices cardiology for several years eventually becoming a proponent for fitness and wellness. Woven throughout this gripping memoir set against the backdrop of dramatic political religious and newsworthy developments are the author's stories of hardship and triumph over adversity from a skiing injury at age twelve that left him with physical limitations to the dissolution of his marriage and a difficult separation from his children. Throughout this memorable journey through history Twardowski offers us a deeply personal life story of exploration loss redemption and survival.
