journey that presents a fresh look into the world of AA and offers a convincing rendering of the constant struggle to go into recovery and stay there no matter what In this stunning debut novel Wendy Blackburn writes of the transformative power of love for others and oneself and about friendship about forgiveness about redemption The Wedding Cake Tree Melanie Hudson,2015-04-07 A journey across England puts two strangers on the road to love in this contemporary British romance Winner of the Romantic Novelists Association 2016 Contemporary Romantic Novel of the Year Award Celebrity photographer Grace Buchanan always assumed she would inherit her mother s cottage in Devon But it turns out she knows far less about her mother than she thought In order to receive her inheritance she must now retrace the course of her mother s life escorted by a mysterious companion the handsome and war weary Royal Marine Alasdair Finn Travelling across England with a letter from her mother to read at each stop Grace and Alasdair discover breathtaking landscapes incredible family secrets and an undeniable attraction As her mother s instructions unfold the lessons of the past inspire Grace and Alasdair to rethink their futures But will their trip together end with the last letter or begin the journey of a lifetime Moved me to tears Josephine Cox The Adventure of Purpose Travis Barton,2020-05-26 At a young age with nothing to lose and everything to gain Travis set out on a journey to see the world find happiness and have the adventure of a lifetime From high mountain peaks in Japan to perfect waves in Hawaii from the snows of Iceland to the jungles of Costa Rica The Adventure of Purpose is a guide for breaking the rules discovering yourself finding your purpose and creating a life aligned with your passions Told with warmth humor and lust for life this book will not only inspire you to discover new corners of the world but to boldly discover yourself We Are the Ants Shaun David Hutchinson,2016-01-19 After the suicide of his boyfriend Henry deals with depression and family issues all while wondering if he was really abducted and told he has 144 days to decide whether or not the world is worth saving *High Adventure* James Norman Hall,1918 It was on a cool starlit evening early in September 1916 that I first met Drew of Massachusetts and actually began my adventures as a prospective member of the Escadrille Am ricaine We had sailed from New York by the same boat had made our applications for enlistment in the Foreign Legion on the same day without being aware of each other s existence and in Paris while waiting for our papers we had gone every evening for dinner to the same large and gloomy looking restaurant in the neighborhood of the Seine As for the restaurant we frequented it not assuredly because of the quality of the food We might have dined better and more cheaply elsewhere But there was an air of vanished splendor of faded magnificence about the place which in the capital of a warring nation appealed to both of us Every evening the tables were laid with spotless linen and shining silver The wineglasses caught the light from the tarnished chandeliers in little points of color At the dinner hour a half dozen ancient serving men silently took their places about the room There was not a sound to be heard except the occasional far off honk of a motor or the subdued clatter of dishes from the kitchens The serving men even the tables and the empty chairs seemed to be listening to be waiting for the guests who never came Rarely were there more than a dozen diners out during the course of an evening

There was something mysterious in these elaborate preparations and something rather fine about them as well but one thought not without a touch of sadness of the old days when there had been laughter and lights and music sparkling wines and brilliant talk and how those merrymakers had gone many of them long ago to the wars **The Daniel Key** Anne Graham Lotz, 2018-03-27 In The Daniel Key Anne Graham Lotz daughter to Billy Graham shares 20 choices you can make to find contentment and peace as you discover a deeper relationship with God These same choices were made by Daniel a young Jewish man serving God in a godless society who was revered by God and saved from lions Daniel was honored by God protected and trusted His faith did not waver when he faced those who were against him or even when he confronted hungry lions How can you have that kind of faith Bestselling author Anne Graham Lotz teaches you that Daniel's choices can be your choices choices such as The choice to trust The choice to obey The choice to pray The choice to worship The choice to repent The choice to live humbly The choice to have courage The 20 choices will bring you Contentment when the world says you are not enough Closeness born of a relationship with God Boldness to share the truth Peace in times of trial Life changing faith This lovely book makes a thoughtful gift for a friend or loved one It's ideal for birthdays Mother's Day Father's Day or Christmas Or perhaps it's a gift you can give yourself for your time studying God's Word each day With Daniel's model for godly living you can have the same kind of life changing faith he did One where you find contentment in your circumstances and peace in times of trial *Mines and Minerals*, 1905 [Betrayal of a Crown](#) M.
