Life'S Lessons Learnt Sean A O'Reilly, 2016-05-24 Every person has an interesting life story to tell and I do not claim that my story is unique I write about my experience of living alone with my grandmother on an Irish farm and why it shaped my national identity My life changing move to London and the need to become street wise and still make it to university is covered I describe how my debating exploits at school and university got me an invitation to The House of Lords and how I met my future wife and entering a grammar school for the very first time as teacher My passion for comprehensive education more enlightened science teaching and my role in senior school management all get an airing as well as my camping political and sporting adventures Space is given to how we made lifelong friends with some Germans and our many years of skiing in Austria and Norway The book also covers the period from early retirement in 1999 to my years teaching in some of Englands elite private schools and why girls really do love chocolate I describe how I coped with a heart bypass in 2012 and got back to marathon running and took up marathon bike riding for charity I conclude with my take on the human predicament

Unholy Communion-Lessons Learned from Life Among Pedophiles, Predators, and Priests Hank Estrada, 2005-03-10 Turning to the Catholic Church as a means of healing from childhood abuse Hank Estrada looked for consolation and comfort but instead found cruel deception and ultimate religious betrayal at the hands of a very powerful religious machine and in particular one manipulative deviant priest UnHoly Communion is a shocking and candid account of one man s personal battle with the darker side of the Catholic Church Read the author s first hand accounts of how the Catholic Church continued to shamefully protect one of its sexual predators while he moved on from one victim to another In this heart wrenching memoir Estrada describes his road to hell and back as he lived through devastating sexual scandals and found the courage to persevere This inspiring story of determination and resilience is for anyone who has struggled with any type of childhood abuse adult exploitation or the unspeakable sex crimes from once trusted clergy Estrada connects with the reader and shows us how hope peace and love can be found if you don t give up
