Dalton, 2015-11-19 Children's Bibles have been among the most popular and influential types of religious publications in the United States providing many Americans with their first formative experiences of the Bible and its stories In *Children's Bibles in America* Russell W Dalton explores the variety of ways in which children's Bibles have adapted illustrated and retold Bible stories for children throughout U S history This reception history of the story of Noah as it appears in children's Bibles provides striking examples of the multivalence and malleability of biblical texts and offers intriguing snapshots of American culture and American religion in their most basic forms Dalton demonstrates the ways in which children's Bibles reflect and reveal America's diverse and changing beliefs about God childhood morality and what must be passed on to the next generation Dalton uses the popular story of Noah's ark as a case study exploring how it has been adapted and appropriated to serve in a variety of social agendas Throughout America's history the image of God in children's Bible adaptations of the story of Noah has ranged from that of a powerful angry God who might destroy children at any time to that of a friendly God who will always keep children safe At the same time Noah has been lifted up as a model of virtues ranging from hard work and humble obedience to patience and positive thinking Dalton explores these uses of the story of Noah and more as he engages the fields of biblical studies the history of religion in America religious education childhood studies and children's literature **The First Century Aramaic Bible in Plain English (The Torah-The Five Books of Moses)** Rev. Missions Howard Benjamin Grose, 1924 *Pearls* Karen DiNobile, 2023-01-20 What do you consider your pearl of great price something very valuable such as family a special friend or a certain prized possession like an heirloom There are many pearls of great price in Scripture It can be a promise of God a comforting psalm a proverb about wisdom or a scripture about

this incredible amazing beautiful universe that our God created Or perhaps it can be an entire chapter such as 1 Cor 13 detailing what unconditional love is However Jesus is the pearl of great price and discovering him and accepting him into your life is matchless priceless There are so many treasures of great price to be discovered in God's inspired word Second Timothy 3 tells us all Scripture is God breathed it is his work of love to help and guide us through our lives to prepare us for the awesome things he has awaiting us in heaven Read the Bible find the pearl of great price and your own pearl or pearls and learn to apply them to your life That is living life at its very best The Book Rat's Daughter Carolyn Michaels Kerr, 2025-10-09 The Book Rat's Daughter is Carolyn Michaels Kerr's affectionate portrait of her father the deeply respected and deeply book obsessed New Testament scholar J Ramsey Michaels told through the tangle of his lifelong devotion to books A self proclaimed book rat Ramsey began collecting as a boy an enthusiasm that never waned His idea of a good time involved a dusty used bookstore a good meal at a bargain price and a few hours of theological or literary conversation preferably over wine Drawing from his unfinished memoir some published writings and hours of recorded interviews because when your dad's a scholar even casual chats turn into archives Kerr traces not only the man behind the stacks but also the quiet evolution in their relationship after her mother's death Structured around stories of treasured finds antiquarian bookstore adventures and the rhythms of a reading life the memoir is part tribute part travelogue through their shared world of words It is also a study in primary sources first editions marginalia and the enjoyable challenge of keeping up with a man whose everyday conversation was liberally sprinkled with such words as eschatology dispensationalism and hermeneutics
