artists as diverse as The Stranglers and Stephane Grappelli are followed by a move to London with the excitement of seeing Eric Clapton at the Albert Hall and The Who at Wembley Arena along with plenty of gigs at smaller venues The final chapter sees the author return to his native Scotland and includes memorable gigs by Manic Street Preachers and Iggy Pop in Glasgow But this book is not just a list of bands and venues Having been to over 300 concerts in those 18 years the author focuses on events that made certain ones stand out a smoke alarm going off midway through a Jane s Addiction gig Captain Sensible of The Damned returning to the stage to play an encore wearing nothing more than his beret and sunglasses and ex Strangler Hugh Cornwell stopping half way through a song to push a drunken fan off the stage There are also stories of unpredictable bar staff overzealous security men hard working road crews and concerts being cancelled or moved to a different venue with little or no notice
