Stoller, 1991-01-01 Bill Merlin Happy and Kay are among the porn film performers and producers who tell their stories to Dr Robert J Stoller in this psychodynamic ethnography of adult heterosexual pornography Their engrossing accounts reveal in rich detail not only the inner workings of the Industry and the fantasies and motivations of its participants but also the relation between this most denigrated of occupations and normal human erotic behavior and attitudes Consistently nonjudgmental about the material he presents Dr Stoller nevertheless draws provocative conclusions about porn its practitioners and its effects on society Everyone at work on a porn production he says uses it as a vehicle for unloading his or her rage against something mores institutions laws parents females or males According to Dr Stoller pornography does not exist only to degrade women there is no reliable evidence that it increases the frequency of rape and with the exception of child porn it does little harm Pornography says Dr Stoller seems more the result of our changing society than a cause of change it reflects more than influences our values and mores *Neither Man nor Beast* Carol J. Adams, 2014-03-05 Adams

advocates an activism that reveals the truth about animal suffering and about women's lives Library Journal This book very usefully brings together Adams's thinking on animal defense as it has developed since the 1990 publication of her first book *The Sexual Politics of Meat* The Animals Agenda Adams does for women and animals what the author of *Our Bodies Ourselves* did for women's health She proves insightfully that the unexamined meal is not worth eating Mary E Hunt Adams's thinking is brilliant and original and this volume belongs in every women's studies theology and environmental ethics collection Choice Carol Adams looks unsparingly at the way our culture has conditioned us to accept as normal the staggering cruelty inflicted daily on millions of animals From theology to nutrition from reproductive rights to pornographic images she shows how assumed male superiority to women and other others pervades our lives Jane Tompkins **New**

Views on Pornography Lynn Comella, Shira Tarrant Ph.D., 2015-02-17 This book presents thought provoking research and data about pornography that will prompt readers to reconsider their positions on a highly controversial and current issue Why do people use pornography Is porn addiction a fact or myth What is revenge porn and is it illegal Can pornography be more diverse This interdisciplinary collection presents well researched facts and up to date data that encourage informed discussion about controversial and relevant issues in contemporary society Chapters address topics such as the history and

cultural trends of pornography labor and production practices in creating porn the effects of technology current issues in obscenity law and myths and facts about the effects of pornography New Views on Pornography Sexuality Politics and the Law challenges assumptions about this popular yet controversial industry Contributors include top scholars from media studies sociology psychology gender studies criminology politics and the law This book provides a comprehensive overview of pornography that will help students educators and general readers deepen their understanding of this provocative subject

Torture Porn in the Wake of 9/11 Aaron Kerner, 2015-04-24 Saw Hostel The Devil s Rejects this wave of horror movies has been classed under the disparaging label torture porn Since David Edelstein coined the term for a New York magazine article a few years after 9 11 many critics have speculated that these movies simply reflect iconic images anxieties and sadistic fantasies that have emerged from the War on Terror In this timely new study Aaron Kerner challenges that interpretation arguing that torture porn must be understood in a much broader context as part of a phenomenon that spans multiple media genres and is rooted in a long tradition of American violence Torture Porn in the Wake of 9 11 tackles a series of tough philosophical historical and aesthetic questions What does it mean to call a film sadistic and how has this term been used to shut down critical debate In what sense does torture porn respond to current events and in what ways does it draw from much older tropes How has torture porn been influenced by earlier horror film cycles from slasher movies to J horror And in what ways has the torture porn aesthetic gone mainstream popping up in everything from the television thriller Dexter to the reality show Hell s Kitchen Reflecting a deep knowledge and appreciation for the genre Torture Porn in the Wake of 9 11 is sure to resonate with horror fans Yet Kerner s arguments should also strike a chord in anyone with an interest in the history of American violence and its current and future ramifications for the War on Terror Brutal Brian Luke, 2007 Explores the gender divide over our treatment of animals exposing the central role of masculinity in systems of animal exploitation including hunting Luke develops a new theory of how exploitative institutions do not work to promote human flourishing but instead merely act as support for a particular construction of manhood from publisher description **Delicious Pixels** Agata Waszkiewicz, 2022-06-06 Delicious Pixels Food in Video Games introduces critical food studies to game scholarship showing the unique ways in which food is utilized in both video game gameplay and narrative to show that food is never just food but rather a complex means of communication and meaning making It aims at bringing the academic attention to digital food and to show how significant it became in the recent decades as on the one hand a world building device and on the other a crucial link between the in game and out of game identities and experiences This is done by examining specifically the examples of games in which food serves as the means of creating an intimate cozy and safe world and a close relationship between the players and the characters **Imaging Animal Industry** Emily Kathryn Morgan, 2024 Imaging Animal Industry focuses on the visual culture of the American meat industry between 1890 and 1960 Drawing on archival collections across the American Midwest this book relates a history of the meatpacking industry s use of images in the early to mid

twentieth century In the process it reveals the key role that images particularly photographs have played in assisting with the rise of industrial meat production **Solidarity with the Other Beings on the Planet** Pamela B. June,2020-04-15 For decades Pulitzer Prize winning author and activist Alice Walker has spoken out in defense of the oppressed Her writings address the intersections of racist sexist heterosexist classist and increasingly speciesist oppressions and she has made clear the importance of reducing violence and creating peace where possible In light of Walker s call to action this book analyzes seven of her novels to offer a fresh reading situated at the complex intersection of critical race studies and critical animal studies Grounded in ecofeminist theory this literary analysis examines Walker s evolving views on animals in relation to her discussions of other oppressed groups Pamela B June argues that Walker s fiction can help readers understand and perhaps challenge American culture s mistreatment of nonhuman animals Walker has withstood criticism for her decision to abandon vegetarianism and this book also problematizes the slippery territory of viewing writers as moral guides **Solidarity with the Other Beings on the Planet** will appeal to readers in literary studies ecofeminist studies African American studies and critical animal studies **Social Lives with Other Animals** E. Cudworth,2011-04-01 A provocative sociological account of human relations with non human animals providing an innovative theorization of the social relations of species in terms of complex systemic relations of domination looking at ways Other animals are constitutive of human social lives at the dinner table as livestock and as companions in our homes **The Carol J. Adams Reader** Carol J. Adams,2016-10-06 The Carol J Adams Reader gathers together Adams s foundational and recent articles in the fields of critical studies animal studies media studies vegan studies ecofeminism and feminism as well as relevant interviews and conversations in which Adams identifies key concepts and new developments in her decades long work This volume a companion to *The Sexual Politics of Meat* Bloomsbury Revelations offers insight into a variety of urgent issues for our contemporary world Why do batterers harm animals What is the relationship between genocide and attitudes toward other animals How do activism and theory feed each other How do race gender and species categories interact in strengthening oppressive attitudes In clear language Adams identifies the often hidden aspects of cultural presumptions The essays and conversations found here capture the decades long energy and vision that continue to shape new ways of thinking about and responding to oppression ***The Pornography Wars*** Kelsy Burke,2023-04-25 For readers of Peggy Orenstein and Rebecca Traister an authoritative big think look at pornography in all its facets historical religious and cultural In the 1960s sex researchers Masters and Johnson declared the end of the fake orgasm Nearly two decades later in 1982 evangelical activist Tim LaHaye foretold that the entire pornography industry would soon be driven out of business Neither prediction proved true Instead with the rise of the internet pornography saturates the American conscience more than ever and has reshaped our understanding of sexuality relationships media and even the nature of addiction Dr Kelsy Burke has spent the last five years researching and interviewing internet pornography s opponents and its sympathizers In *The Pornography Wars* Burke does a deep dive into

the long history of pornography in America and then turns her gaze on our present society to examine the ways this industry touches on the most intimate parts of American lives She offers a complete understanding of the major players in the debates around porn s place in society everyone from sex workers activists therapists religious leaders and consumers In doing so she addresses and debunks the myths that surround porn and porn usage while showing how everything from the way we teach children about sex to the legal protections for what can be published is tied up in the deeply complicated battles over pornography Sweeping savvy and deeply researched *The Pornography Wars* is a necessary and comprehensive new look at pornography and American life

Wild Games Dennis Ray Cutchins, Eric Alden Eliason, 2009 Humans understand at least some of what it means to be human both literally and figuratively in reference to wild animals Our relationships with wildlife have traditionally been expressed in terms of hunting more recently these relationships have also been manifest as efforts to prevent hunting Hunting and fishing traditions are in fact under fire by critics at the same time that they are receding of their own accord perhaps becoming even more endangered than any of the pursued animals These traditions form the major focus of *Wild Games* a new collection of essays that looks at the folklore and culture of various hunting and fishing practices documenting the central importance of hunting to many rural societies even in modern times Editors Dennis Cutchins and Eric Eliason contend that hunters often don t perceive of themselves as separate from the wild but rather identify strongly with a natural order integrated with rather than standing apart from the fluctuation of ecosystems And they frequently don t see wild animals as set apart but understand them as food sources competitors friendly rivals and even equals Featuring contributions from a variety of distinguished scholars and writers including an essay by the noted folklorist Simon Bronner on the culture of the deer camp a fascinating account of coyote tracking by Eric Eliason and an examination of the role of gender in outdoor life by Diane Humphrey Lueck this book shows how the traditions of hunting and fishing tend to bind hunter and prey into ancient patterns that often defy contemporary culture Book Jacket

The Routledge Companion to Gender and Animals Chloë Taylor, 2024-05-31 *The Routledge Companion to Gender and Animals* is a diverse and intersectional collection which examines human and more than human animal relations as well as the interconnectedness of human and animal oppressions through various lenses Comprising fifty chapters the book explores a range of debates and scholarship within important contemporary topics such as companion animals hunting agriculture and animal activist strategies It also offers timely analyses of zoonotic disease pandemics mass extinction and the climate catastrophe using perspectives including feminist critical race anti colonial critical disability and masculinities studies *The Routledge Companion to Gender and Animals* is an essential reference for students in gender studies sexuality studies human animal studies cultural studies sociology and environmental studies

Pornography Of Meat Introduction

In the digital age, access to information has become easier than ever before. The ability to download Pornography Of Meat has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Pornography Of Meat has opened up a world of possibilities. Downloading Pornography Of Meat provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Pornography Of Meat has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Pornography Of Meat. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pornography Of Meat. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Pornography Of Meat, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Pornography Of Meat has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
