LGBTQ+ Visibilities in the Caucasus and Central Asia Jasmin Dall'Agnola, Cai Wilkinson, 2025-03-19 This book discusses the ongoing challenges of queer visibilities activism and knowledge production and demonstrates that there are lessons to be learned from the experiences of queer people in the Caucasus and Central Asia The idea for this book emerged from a desire to showcase queer scholarship in and on the region following a panel discussion about the visibility of queer communities in the post Soviet space at the ASEES virtual convention in December 2021 The contributions in this book explore questions including but not limited to Under what circumstances and conditions does the Internet play a polarizing or liberalizing role in relation to sexual and gender diversities What accounts for the divergent trajectories of LGBTQ rights recognition in different states and regions of the world How is expanding access to the Internet and persistent government censorship and queerphobia changing LGBTQ identities visibilities and activism Via their engagements with the questions outlined above this book amply demonstrates not just the relevance of scholarship about LGBTQ communities and activism for both area studies and queer studies but the ongoing need to interrogate existing political economies of knowledge production The chapters in this book were originally published in Central Asian Survey and are accompanied by a new Foreword an updated Introduction an Epilogue and an Afterword

Focus: Choral Music in Global Perspective André de Quadros, 2019-03-11 Focus Choral Music in Global Perspective introduces the little known traditions and repertoires of the world's choral diversity from prison choirs in Thailand and gay and lesbian choruses of the Western world to community choruses in the Middle East and youth choirs in the United States The book weaves together the stories of diverse individuals and organizations examining their music and pedagogical practices while presenting the author's research on how choral cultures around the world interact with societies and transform the lives of their members Through an engaging series of portraits that pushes beyond the scope of extant texts and studies the author explores the dynamic realm of world choral activity and repertoire These personal portraits of musical communities are enriched by sample repertoire lists performance details and research findings that reposition a once Western phenomenon as a global concept Focus Choral Music in Global Perspective is an accessible

engaging and provocative study of one of the world's most ubiquitous and socially significant forms of music making

Sound Communities in the Asia Pacific Lonán Ó Briain, Min Yen Ong, 2021-01-28 The popularization of radio television and the Internet radically transformed musical practice in the Asia Pacific These technologies bequeathed media broadcasters with a profound authority over the ways we engage with musical culture Broadcasters use this power to promote distinct cultural traditions popularize new music and engage diverse audiences They also deploy mediated musics as a vehicle for disseminating ideologies educating the masses shaping national borders and promoting political alliances With original contributions by leading scholars in anthropology ethnomusicology sound studies and media and cultural studies the 12 essays in this book investigate the processes of broadcasting musical culture in the Asia Pacific We shift our gaze to the mechanisms of cultural industries in eastern Asia and the Pacific islands to understand how oft invisible producers musicians and technologies facilitate frame reproduce and magnify the reach of local culture **Whitaker's Books in Print**, 1998

Mapping New Terrain in Queer Religious Scholarship Bernard S. Schlager, 2025-03-18 Mapping New Terrain in Queer Religious Scholarship builds upon the work and legacy of Professor John Boswell bringing together contributions that were delivered at the annual CLGS Boswell Lecture Series at Pacific School of Religion USA Boswell is lauded as a major scholar in gender and sexuality studies and is recognized as an early advocate for the full inclusion of LGBTQ people in faith communities Drawing inspiration from Boswell's ground breaking book Christianity Social Tolerance and Homosexuality 1980 the chapters address a variety of relevant topics in theology scripture queer studies ethics and social justice Boswell's legacy of scholarly excellence and his prophetic activism continue to live on in the writings of these noted academics religious leaders and activists The book will be of particular interest to scholars working in the fields of gender and sexuality studies religious studies and the history of Christianity *Korea Journal*, 2009 **Bent Street 4.2** Tiffany
