**Scripture Twisting in the Seminaries** John W. Robbins,1985-01-01      **Subject Guide to Books in Print** ,1975

**Gender and Ministry in Early Christianity and the Church Today** Adolphus Chinedu Amadi-Azuogu,2007-04-26 In certain Christian religions especially Roman Catholicism there is an undeniable link between the male gender and the exercise of particular ministry roles The Catholic Church has reserved ordination to the priesthood for men only thereby making the female gender incompatible with priesthood The Anglican Church on the other hand creates equal access for both genders by eradicating this line of separation Here we see two churches two biblical interpretations and two approaches to ministry In the light of this apparent contradiction Gender and Ministry in Early Christianity and the Church Today examines to what degree Paul and the early church accepted the ministry of women Ultimately the book argues that the presentation of the Christian God as interested in gender and ministry is a standard case of anthropomorphism The overwhelming pieces of evidence examined in this work do not support any sexist approach to ministry rather the book concludes that women should not be excluded from any aspect of the ministry of the Christian church      Women and Religion Shelley Davis Finson,1991 Dentro de las investigaciones feministas existe un interes creciente por la historia de la iglesia su liderazgo y su futuro El feminismo cristiano ha generado la necesidad de unos recursos documentales y bibliograficos que este volumen pretende cubrir Esta bibliografia esta organizada en 11 capitulos un apendice y un indice de autores Los capitulos llevan los siguientes epigrafes 1 Biblia 2 Historia 3 Judaismo 4 Lenguaje el genero de dios 5 Mariologia 6 Orden sacerdoatal 7 Vida pastoral 8 Religion y la iglesia 9 Espiritualidad 10 Teologia y 11 Culto El apendice incluye otras bibliografias existentes sobre el tema      **Gender, Genre and Religion** Morny Joy,Eva K. Neumaier-Dargyay,2006-01-01

Many feminists today are challenging the outmoded aspects of both the conventions and the study of religion in radical ways Canadian feminists are no exception Gender Genre and Religion is the outcome of a research network of leading women scholars organized to survey the contribution of Canadian women working in the field of religious studies and further to plot the path forward This collection of their essays covers most of the major religious traditions and offers exciting suggestions as to how religious traditions will change as women take on more central roles Feminist theories have been used by all contributors as a springboard to show that the assumptions of unified monolithic religions and their respective canons is a fabrication created by a scholarship based on male privilege Using gender and genre as analytical tools the essays reflect a diversity of approaches and open up new ways of reading sacred texts Superb essays by Pamela Dickey Young Winnie Tamm Morny Joy and Marsha Hewitt among others honour the first generation of feminist theologians and situate the current generation showing how they have learned from and gone beyond their predecessors The sensitive and original essays in Gender Genre and Religion will be of interest to feminist scholars and to anyone teaching women and religion courses

Voices of Feminist Liberation Emily Leah Silverman, Dirk von der Horst, Whitney Bauman, 2014-10-14 Voices of Feminist Liberation brings together a wide range of scholars to explore the work of Rosemary Radford Ruether one of the most influential feminist and liberation theologians of our time Ruether's extraordinary and ground breaking thinking has shaped debates across liberation theology feminism and eco feminism queer theology social justice and inter religious dialogue At the same time her commitment to practice and agency has influenced sites of local resistance around the world as well as on globalised strategies for ecological sustainability and justice Voices of Feminist Liberation examines the potential of Ruether's thinking to mobilize critical theology social theory and cultural practice The scholars gathered here present their personal engagements with Ruether's thinking and teaching The book will be invaluable to scholars policy makers and activists seeking to understand how colonial and patriarchal oppression in the name of religion can be confronted and defeated

**Created Male and Female** Terrance Randall Wardlaw Jr., 2021-01-19 In a culture where gender neutrality is the ideal why is it significant that we were created differently as male and female As the ethical consequences of the gender debate in the last generation manifest themselves this book explores biblical teaching in order to work toward a Christian perspective This discussion traces the theme of creation as male and female through the canon from the Pentateuch to the epistles and demonstrates how Pauline interpretation flows from Genesis 1:3 The grounding of the distinction between male and female in Genesis 1 as the climax of creation suggests the ethics associated with creation as male and female abide universally and for all time This book intends to present a comprehensive yet reasonably concise presentation of biblical teaching on creation as male and female without bogging down in the detailed disputes between complementarian and egalitarian writers This discussion considers each passage within its literary context and patristic writers from the first few centuries of the church function as a control on interpretation

**Slavery, Sabbath, War & Women** Willard M. Swartley, 1983-05-07 The Bible

appears to give mixed and even conflicting signals on the four case issues of slavery Sabbath war and women New Testament scholar Willard Swartley seeks to identify the difficulties surrounding these discussions and clarify basic learnings in biblical interperation in a spirit of unity and dialogue As a predecessor to his 2003 publication Homosexuality this book rounds out a thorough spirit filled discussion of some of the most contentious and sensitive issues facing the church today     **Scripture**
