Scripture in the World Religions Harold G. Coward, 2000-08 In this systematic and accessible analysis Harold Coward

carefully explores the scriptures written and spoken of six major world faiths. He examines their interpretation, their role in devotion and education and their relationships with each other. **Sacred Word and Sacred Text** Harold G. Coward, 1988. This fascinating study of the world's sacred texts explains how the value of written scripture over the oral/aural experience is characteristic of recent Western history. Even today it is atypical of how most believers experience scripture. **Sacred Word and Sacred Text** demonstrates how scripture historically has partaken of both the oral and the written traditions and argues that of the two it is the oral world which has the greater power to transform lives from the back cover. *Anthology of World Scriptures* Robert E.
