Fire Vision Steven Harrison,2018-07-17 Within the pages of the Holy Bible the Lord God Almighty used fire in powerful ways to deliver His message His authority became

apparent when He brought or sent fire down A few excellent illustrations include Elijah and the prophets of Baal the three young men in the fiery furnace Sodom and Gomorrah and Moses at the burning bush and the tongues of fire on the day of Pentecost Consider also our largest visual source of fire and heat The solar sun eclipses and blood moons are often considered as key events or signs in God s Word Flames entered my apartment in 1992 and left behind four distinct burned images with sealed messages from the eternal consuming fire The amazing images in my bedroom later told the story of my heart attack The Holy Spirit unlocked these images by His Word through time The Cokeville miracle story also has a detailed fire image that was burned into the wall Its message had been well hidden until now Learn the interpretations for these miraculous images and understand that the same Creator who made these images will be returning someday with His fire vision to judge all things The single most important and unanswered question for many people today remains a mystery Ask yourself How will the King of kings see me Until This Soul Departs Jim Puskas,2025-03-31 A Toronto inner city hospital January 1960 Well past midnight There it is the first shriek At least the brat sounds healthy Is that the best I can expect just that the infant isn t sickly this red faced newborn whose prospects appear so bleak The glacial fluorescent lights in this antiseptic cubicle that passes for a birthing centre allow for no shadows no respite from their intrusive and impersonal glare I ought to sympathize with the resident on duty tonight stuck here again for the third night in a row assisting at another nameless birth Tonight he s too exhausted to react to that nurse s sarcastic comments Right now his only concern is finding his way to a bed one where there are no pagers and no phones for the next few hours I have little reason to sympathize with that young mother though Her present situation is simply one of the many bits of unpleasantness that she has brought upon herself by her feckless behaviour The utter absence of human concern for her welfare in this institutional no man s land at the instant of giving birth Well that s just the way things are in any big city If all goes according to plan they can send her home within thirty six hours the administration s only concern will be the validity of her Ontario health card Tomorrow the whole sequence will be repeated And so begins our story It s a story about aspiration love and betrayal But most of all it s about forgiveness
