Art, Propaganda and Aerial Warfare in Britain during the Second World War Rebecca Searle,2020-07-23 The War Artists Advisory Committee WAAC were responsible for the production of some of the most iconic images of the Second World War Despite its rich historical value this collection has been poorly utilised by historians and hasn t been subjected to the levels of analysis afforded to other forms of wartime culture This innovative study addresses this gap by bringing official war art into dialogue with the social economic and military histories of the Second World War Rebecca Searle explores the tensions between the documentarist and propagandistic roles of the WAAC in their representation of aerial warfare in the battle for production the Battle of Britain the Blitz and the bombing of Germany Her analyses demonstrate that whilst there was a strong correlation between war art and propaganda the WAAC depicted many aspects of experience that were absent from wartime propaganda such as class divisions within the services gendered hierarchies within industries civilian death and the true nature of the bombing of Germany In addition she shows that propagandistic constructions were not entirely separate from lived experience but reflected experience and shaped the way that individuals made sense of the war Accessibly written highly illustrated and packed with valuable examples of the use of war art as historical source this book will enhance our understanding of the social and cultural history of Britain during the Second World War **British Sculptors of the Twentieth Century** Alan Windsor,2020-09-10 This title was first published 2003 In the twentieth century Britain was rich in artistic achievement especially in sculpture Just some of those working in this field were Jacob Epstein Henri Gaudier Brzeska Henry Moore Barbara Hepworth Anthony Caro Richard Long Mona Hatoum and Anish Kapoor The work of these and other known and less well known artists has an astonishing variety and expressive power a range and strength that has placed Britain at the hub of the artistic world Alan Windsor has compiled a concise biographical dictionary of sculpture in Britain in book form Richly informative and easy to use this guide is an art lover s and expert s essential reference Written by scholars the entries are cross referenced and each concise biographical outline provides the relevant facts about the artist s life a brief characterization of the artist s work and where appropriate major bibliographical references **The Materials and Methods of Sculpture** Jack C. Rich,1988-01-01 Promises to become a standard reference book The Art Digest Exhaustive profusely illustrated guide to all of the technical aspects of sculpting in stone metal wood and other materials The author expertly covers casting surface treatment exotic materials such as amber coal and even butter Much more 281 illustrations **"William Reid Dick, Sculptor "** Dennis Wardleworth,2017-07-05 William Reid Dick 1878 1961 was one of a generation of British sculptors air brushed out of art history by the Modernist critics of the late twentieth century This long overdue monograph adds to the recent revival of interest in this group of forgotten sculptors by

describing the life and work of arguably the leading figure of the group in unprecedented depth The facts of Reid Dick s life and his most important works are presented against a backdrop of the historical social and aesthetic changes taking place during his lifetime Dennis Wardleworth elucidates why Reid Dick s reputation plummeted so quickly and why his position in the history of British art deserves to be restored This study draws upon a wealth of previously unpublished material including over 2000 letters and press cuttings and photographs in the Tate Archive as well as letters and photographs held by Reid Dick s family It traces the sculptor s story from his birth in the Gorbals in Glasgow to his election to the Royal Academy and knighting by George V to the decline of his career and his late life connection with American millionaire and art collector Huntington Hartford The first monograph on Reid Dick since 1945 the book also includes images of over 40 of his works and a listing of over 200 works identified by the author

Richard Hillary David A Ross,2008-09-22 The authoritative biography of the WWII ace fighter pilot hero of the Battle of Britain and author of the classic wartime memoir *The Last Enemy* As both a legendary flying ace and an accomplished author Richard Hillary achieved a unique kind of immortality during his tragically short life Born in Australia and raised in England he attended Oxford University before joining the Royal Air Force at the outbreak of World War II Flying Spitfires in the 603 Squadron he became an ace in the Battle of Britain Though he managed to survive being shot down in September 1940 he suffered severe burns to his face and hands It was during his long and painful recovery that Hillary wrote his masterpiece *The Last Enemy* Then anxious to return to flying he died when his Bristol Blenheim bomber crashed in mysterious circumstances in 1943 Cutting through myth and misinformation biographer David Ross draws on extensive archival research including from the Richard Hillary Trust Archive in Oxford as well as interviews with Hillary s contemporaries This complete biography also features many previously unseen photographs
