Supporting Children with EAL in the Early Years Judith Harries,2020-12-16 This book aims to equip early years practitioners with the resources and skills required to create a stimulating learning environment and to fully include EAL children into their settings It provides practical ways to show children and their families that their language and culture are valued and respected so that they can feel secure and accepted There are 49 activities included that focus on different areas of the Expressive Arts and Design goal and help practitioners to develop children s language and communication skills as they play

Doctor Faustus Thomas Mann,2022-08-16 In Doctor Faustus Thomas Mann masterfully explores the metaphysical and artistic struggles of Adrian Leverk hn a composer who makes a Faustian pact in pursuit of musical genius Set against the backdrop of a politically turbulent Germany Mann employs a modernist literary style that intricately weaves philosophical musings with symphonic motifs reflecting the tension between art and morality The novel not only mirrors the tumult of the early 20th century but also serves as a rich allegory for the cultural decay that precipitated World War II positioning Leverk hn s descent into madness as a poignant commentary on the dissonance in human civilization Thomas Mann a Nobel laureate drew inspiration from his own experiences in a Germany grappling with rapid modernization and existential angst His understanding of the interplay between art and life surfaces in Leverk hn s character reflecting Mann s profound engagement with questions of creativity sacrifice and the burden of genius Mann s intimate familiarity with music and his scholarly prowess lend authenticity to the protagonist s journey illuminating the often dark pathways that artists must navigate Doctor Faustus is a compelling read for anyone intrigued by the complexity of artistic ambition and its moral implications Mann s intricate narrative and profound insights make this work an essential exploration of the human condition appealing not only to lovers of literature but also to those engaged in philosophical and artistic inquiry
