Plachno, 2015-05-02 This book is a humor book intended to make you smile It is set an undisclosed distance in the future in the USA in order to try and not conflict with any political parties or people or

issues of today In this future USA the political parties are now the Bulls and the Bears And for the sake of humor they are even more extreme than today and to say the least do not get along But fortunately the rules for becoming a US president are now easier A very nice man and his family had just emigrated to the US from Asia India in particular and this nice man and his family wish to help out their new country the US And so Rajak Gandhi Patel the 35th manages to become president But can he deal with the craziness he sees Is the family really prepared for what they find Will anyone help him I realize that a person could ask me the author if I have any political bent in this book And that answer would be no I do not belong to any political party I do not even go to all birthday parties that I am invited to And more to the point I made both parties so extreme that I certainly would not want to belong to either of these parties and my guess is that the reader will feel the same way But that is getting too serious The purpose of this book is simply humor And my goal is to make you smile If this book has any point at all other than humor it might be the good that just a few good people can accomplish and that people accomplish more when they work together Other than that it is all in fun I truly hope others will enjoy reading this book as much as I enjoyed writing it Ron Plachno author White Treasure R. Jack Punch,2006 Wilbur Bone must use all his inner strength to control his emotions as he drives his lifelong best friend Michael Moresby to the airport for the last time On the seat next to him is a box containing Michael s remains Minutes later Wilbur steps onto a two seater plane with Michael s ashes and heads to Lake Ontario where he carries out his friend s final wishes As Wilbur begins grieving his loss he learns that Michael has left him his dive boat and business sixteen photographs of sunken ships and a mysterious poem But there is only one problem Wilbur has never conquered the fears that overtake him when he dives Still Wilbur knows that Michael spent a lifetime fruitlessly diving for treasure and feels obligated to continue his quest Now as danger looms ahead Wilbur must determine whether the clues will actually lead to riches and more importantly if he can survive the treacherous deep waters of Lake Ontario White Treasure is the thrilling tale of a retired English teacher s adventure after he inherits his best friend s diving boat and risky mission beneath the surface of a Canadian lake *Dictionary of American Naval Fighting Ships* ,1991
