Tomlinson,2017-03-25 Then why said he don t you chuck it What escape I had never thought of that It is the last solution which would have occurred to me concerning the problem of captivity It is a credit to you and to me that we do not think of our chains so disrespectfully as to regard them as anything but necessary and indispensable though sometimes sore and irritated we may bite at them As if servitude fell to our portion like squints parents poor in spirit green fly reverence for our social superiors and the other consignments from the stars How should we live if not in bonds I have never tried I do not remember in all the even and respectable history of my family that it has ever been tried The habit of obedience like our family habit of noses is bred in the bone The most we have ever done is to shake our fists at destiny and I have done most of that Give it up said the Skipper and come with me With a sad smile I lifted my foot heavily and showed him what had me round the ankle Poo he said You could berth with the second mate There s room there The Sea and the Jungle Henry Tomlinson,2016-05-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this

Tomlinson,2018-01-18 Excerpt from The Sea and the Jungle Though it is easier and perhaps far better not to begin at all yet if a beginning is made it is there that most care is needed Everything is inherent in the genesis So I have to record the simple genesis of this affair as a winter morning after rain There was more rain to come The sky was waterlogged and the grey ceiling overstrained had sagged and dropped to the level of the chimneys If one of them had pierced it The danger was imminent About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The sea and the jungle, by H.M. Tomlinson,2019-12-03 In The Sea and the Jungle H M Tomlinson intricately weaves a travel narrative that often blurs the lines between fact and fiction reality and imagination Set against the backdrop of the vast oceans and untamed jungles of South America Tomlinson s prose combines vivid descriptions with philosophical musings creating a rich tapestry of adventure and introspection The book published in 1913 reflects the literary context of early 20th century modernism exploring themes of existentialism and man s relationship with nature while drawing on the influence of contemporaries like Joseph Conrad Tomlinson a British journalist and author was profoundly influenced by his own experiences at sea and in the jungles of South America his voyages informed not only his understanding of the physical world but also his philosophical outlook His background in reporting gave him a keen eye for detail and a deep appreciation for the complexity of human emotion and environmental grandeur Through such personal reflections and observations Tomlinson crafted a narrative that resonates with his own existential inquiries and unquenchable curiosity The Sea and the Jungle is a compelling read for those fascinated by travel literature and the intricate dance between humanity and nature It invites readers to embark on an existential journey filled with lyrical prose and profound insights making it a must read for anyone who craves both adventure and philosophical contemplation **THE**
