**Children's Propaganda Games of the Second World War** Nicholas Milton,2024-07-31 From puzzles and cards to pinball and die games find out about the children s games produced as propaganda during World War II During the Second World War hundreds of games were manufactured by the British Germans and Americans aimed at children Despite being cheaply made due to the wartime economy the games were often fun to play and challenging to win They also had considerable propaganda value helping to manipulate children into supporting the war To get their attention many of the games incorporated dramatic artwork and were based on real wartime events from the evacuation of children in 1939 to the dropping of the atomic bomb in 1945 This book features a large selection of different games produced by the British Germans and Americans and tells the stories behind their wartime propaganda The Nazis in particular prided themselves on producing games which promoted and glamourised war exploiting children s patriotism and pride in German conquests Some of their most insidious games included Juden Raus Jews Out and Bomber u ber England Bomber over England However the British and Americans also produced unethical games like Target for Tonight which promoted the carpet bombing of Germany and Atomic Bomb a dexterity puzzle about the nuclear bombing of Japan The games featured in this book include roll and move games with a board and die pinball and similar shooting games dexterity and other puzzles and card games

They were made out of paper card wood rubber bakelite plastic and initially metal Remarkably despite wartime restrictions games were manufactured throughout the conflict to meet the demand from boys and girls as they closely followed the changing fortunes of the war Today many of the games have become scarce so for collectors a guide to their value and rarity is included

**Game After** Raiford Guins, 2014-01-24 A cultural study of video game afterlife whether as emulation or artifact in an archival box or at the bottom of a landfill We purchase video games to play them not to save them What happens to video games when they are out of date broken nonfunctional or obsolete Should a game be considered an ex game if it exists only as emulation as an artifact in museum displays in an archival box or at the bottom of a landfill In *Game After* Raiford Guins focuses on video games not as hermetically sealed within time capsules of the past but on their material remains how and where video games persist in the present Guins meticulously investigates the complex life cycles of video games to show how their meanings uses and values shift in an afterlife of disposal ruins and remains museums archives and private collections Guins looks closely at video games as museum objects discussing the recontextualization of the Pong and Brown Box prototypes and engaging with curatorial and archival practices across a range of cultural institutions aging coin op arcade cabinets the documentation role of game cartridge artwork and packaging the journey of a game from flawed product to trash to memorialized relic as seen in the history of Atari's infamous E.T. The Extra Terrestrial and conservation restoration and re-creation stories told by experts including Van Burnham Gene Lewin and Peter Takacs The afterlife of video games whether behind glass in display cases or recreated as an iPad app offers a new way to explore the diverse topography of game history
